

GENERAL INFORMATION

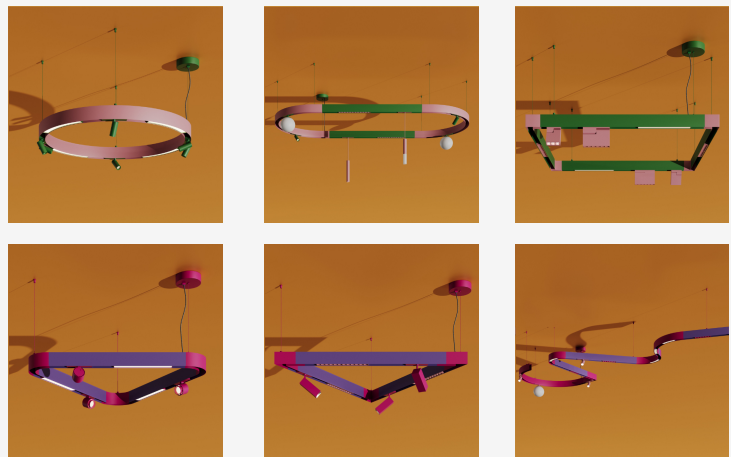

LINE-X SHIFT is a linear lighting module for the MODARI magnetic track system, designed to provide clean, uniform illumination within flexible lighting compositions. Its slim architectural profile and frosted acrylic diffuser create a refined appearance while delivering comfortable, glare-controlled light. Designed for residential, hospitality, retail, and commercial interiors, the module can be easily positioned or reconfigured along the magnetic track to adapt to changing layout requirements. Available in a wide range of finishes, LINE-X SHIFT combines efficient linear illumination with the versatility and seamless integration of the MODARI platform.
