

GENERAL INFORMATION

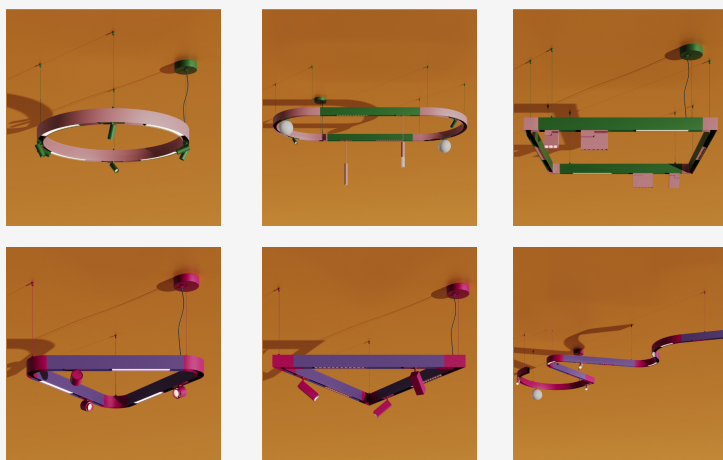

A-FOCUS SHIFT SQ is a square spotlight module for the MODARI magnetic track system, designed to deliver precise accent illumination in a clean architectural form. Its compact geometry and directional optics provide controlled lighting for highlighting artwork, displays, architectural details, and focal points. Designed for residential, hospitality, retail, gallery, and commercial interiors, the module can be easily repositioned within the magnetic track system to adapt to changing layouts and lighting requirements. Available with multiple beam angles and finish options, A-FOCUS SHIFT SQ combines flexible performance, modern aesthetics, and seamless integration within the MODARI platform.
