

GENERAL INFORMATION

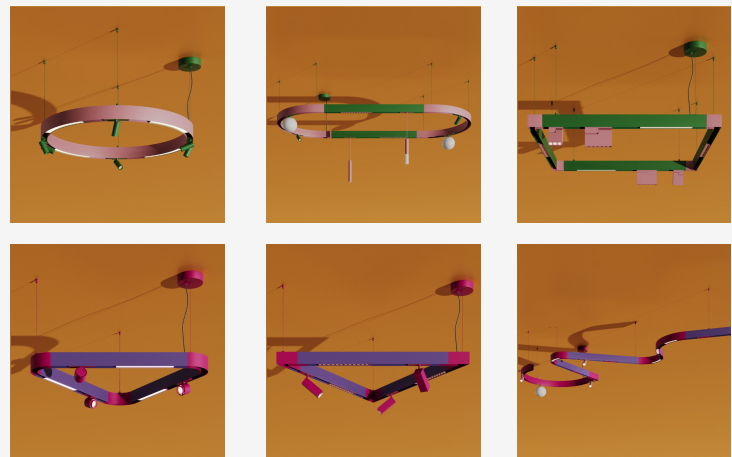

A-PIX SHIFT is a compact accent module for the MODARI magnetic track system, designed to provide focused illumination in a clean architectural form. Its minimal profile works with both curved and linear track layouts, making it ideal for highlighting details, displays, and focal points. Designed for residential, hospitality, retail, gallery, and commercial interiors, the module can be easily repositioned along the magnetic track. A-PIX SHIFT combines precise accent lighting, compact proportions, and seamless MODARI system integration.
