

## GENERAL INFORMATION

NODEX RUST G is a compact architectural garden luminaire featuring a distinctive geometric form and authentic rust-effect finish. Designed to provide precise downward illumination, it adds both functional lighting and sculptural character to outdoor spaces. Ideal for pathways, gardens, courtyards, and landscape applications, NODEX RUST G delivers comfortable, glare-controlled illumination while blending naturally with stone, wood, and planted environments. Its durable construction and weathered finish create a warm, contemporary aesthetic for exterior settings.
