

GENERAL INFORMATION

BRIQ RUST G is a compact outdoor garden luminaire defined by its solid geometric form and soft, diffused light output. The fixture features a continuous illuminated band that delivers uniform 360° illumination, creating a calm and balanced ambient glow close to the ground. Designed for landscape integration, BRIQ RUST G enhances pathways, garden zones, and outdoor compositions with subtle, glare-free lighting. Its rust-effect metal body introduces a natural, weathered character that blends effortlessly with surrounding materials, making the fixture both a functional lighting element and a quiet architectural accent within the environment.
