

GENERAL INFORMATION

FJ GLASS BALLS is a decorative pendant luminaire that combines elegant glass spheres with refined brass or metal detailing to create a timeless and versatile design. The balanced composition of spherical elements adds visual lightness while emphasizing the beauty of the glass and metal finishes. Designed for residential, hospitality, restaurant, and commercial interiors, FJ GLASS BALLS provides soft ambient illumination and can be used individually or as part of larger multi-pendant compositions. Its clean geometry, premium materials, and understated elegance make it suitable for both contemporary and classic interior settings.
