

GENERAL INFORMATION

SENTRA is a refined outdoor pendant defined by its elongated sculptural silhouette and architectural clarity. The stainless steel frame forms a dynamic vertical structure around a frosted acrylic diffuser, delivering focused direct illumination while creating a striking visual presence. Engineered with IP65 protection for exterior environments, SENTRA is ideal for covered terraces, entryways, hospitality patios, and residential outdoor applications. Offered in multiple sizes and finishes, it combines durability, performance, and contemporary elegance for sophisticated outdoor lighting design.
