

## GENERAL INFORMATION

ALUNA RAINDROP W is a refined wall luminaire that transforms the timeless globe into a sophisticated vertical lighting feature. The balanced arrangement of illuminated glass spheres creates a striking architectural presence while producing a soft, comfortable glow that enhances surrounding surfaces. Designed for hospitality, residential, and commercial environments, ALUNA RAINDROP W is available in multiple configurations, finishes, and heights to suit a wide range of interiors. Its elegant proportions and sculptural form make it equally effective as a standalone statement or when installed in rhythmic compositions along corridors, feature walls, and public spaces.
