

GENERAL INFORMATION

ZENOA is a sculptural acoustic pendant luminaire defined by its folded, radial geometry and soft material expression. Crafted from high-performance P.E.T. felt with aluminum structural elements, the layered form enhances sound absorption while creating a visually striking centerpiece. Designed to balance ambient illumination with acoustic comfort, ZENOA is well suited for hospitality interiors, dining areas, and collaborative spaces where atmosphere, visual identity, and noise control are equally important. Its generous scale and wide range of acoustic finishes allow seamless integration into contemporary residential and commercial environments.

SPECIFICATIONS

Material	Aluminum, 100% P.E.T. Felt
Diffuser	Acrylic, Frosted (available for LED model only)
Diameter	35.3"
Height	19.5"
Input Voltage	110-277V, 50-60 Hz
Light Source Type	E26 (bulb not included) / LED
Power	E26: 1 × max. 20W / LED: 10W
LED Output	80 lm/W (LED version only)
CCT	2700K / 3000K / 3500K / 4000K (LED version only)
CRI	90 (LED version only)
Dimming & Driver	Integral, 0-10V (LED version only)
Appliance Class	I
IP Rating	IP 20
Finishes	65 acoustic felt finishes
Warranty	5 years
