

## GENERAL INFORMATION

The Sprinkled Glass pendant embodies a refined balance of artistry and illumination, combining hand-finished brass with a sculptural glass disc that diffuses light in a soft, symmetrical glow. Its design evokes a sense of suspended motion, where transparency and texture interact to create depth and ambiance. Perfect for contemporary interiors, Virel adds a touch of elegance and visual intrigue, serving as both a functional light source and a striking decorative statement.

## SPECIFICATIONS

|                    |                                           |
|--------------------|-------------------------------------------|
