

GENERAL INFORMATION

FRAME 2 is a contemporary pendant that combines a minimalist metal frame with an exposed light source, creating a clean architectural statement with an industrial-inspired aesthetic. Its open design highlights the beauty of decorative lamps while adding depth and visual interest to modern interiors. Designed for residential, hospitality, retail, and commercial applications, FRAME 2 works beautifully as a single accent fixture or arranged in groups for greater visual impact. Available in multiple finishes, it offers timeless versatility while complementing a wide range of interior styles.
