

GENERAL INFORMATION

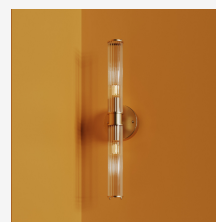

RIFFUBE is a refined linear pendant that blends sculptural glass detailing with precise metal craftsmanship. Featuring a ribbed glass diffuser and brass accents, the fixture delivers soft yet focused direct downward illumination, making it ideal for dining areas, hospitality interiors, and contemporary residential spaces. The elongated 45" profile creates a strong horizontal presence while maintaining visual lightness. With integrated LED technology and 0-10V dimming capability, RIFFUBE offers aesthetic versatility and reliable illumination for modern architectural applications.
