

GENERAL INFORMATION

The MODARI HALOIRE Magnetic Track System is a versatile architectural lighting solution designed for modern interiors. Its geometric halo form combines clean aesthetics with advanced functionality, allowing seamless integration of magnetic track heads, pendants, and linear modules. Engineered in aluminum, the system supports a wide range of beam angles and dimming options, making it adaptable for both ambient and accent lighting. Available in multiple finishes, MODARI HALOIRE is ideal for retail, hospitality, and workspace environments where flexibility and design impact are equally important.
