

GENERAL INFORMATION

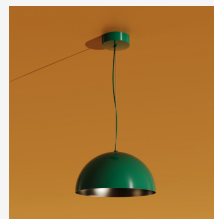

The EQUINOX Pendant is defined by a broad circular profile and open center, creating a refined balance between illuminated and negative space. Its opal acrylic diffuser provides soft, indirect illumination with uniform visual comfort, while the shallow suspended form maintains a clean architectural presence. Available in three diameters with 90 CRI, multiple CCT options, integral 0-10V dimming, and customizable RAL and metallic finishes, EQUINOX is well suited for hospitality, dining, workplace, and contemporary residential interiors.
