

GENERAL INFORMATION

The CASSEN Bollard combines a sculptural curved silhouette with warm material expression and controlled architectural illumination. Its cylindrical body transitions into a distinctive asymmetrical upper section that conceals the light source and directs illumination toward pedestrian surfaces with reduced glare. Available in 32", 38", and 42" heights, CASSEN offers Type II or Type III distribution, multiple CCT options from 2200K to 5000K, integral 0-10V dimming, and IP65 protection for demanding exterior environments. A broad selection of standard, wood-effect, and metallic finishes allows the bollard to complement contemporary landscapes, pathways, hospitality environments, residential developments, and architectural outdoor spaces.

SPECIFICATIONS

Material	Extruded Aluminum
Lens	Acrylic, Clear
Diameter	5.5"
Overall Height	32" / 38" / 42"
Light Source Type	LED
Power	13W / 18W / 23W
Input Voltage	110-277V, 50-60 Hz
LED Output	120 lm/W
CCT	2200K / 2700K / 3000K / 4000K / 5000K
CRI	80
Dimming & Driver	Integral, 0-10V
Light Distribution	Type II / Type III
IP Rating	IP 65
Warranty	5 years
Finishes	16 standard finishes 8 wood-effect finishes 12 metallic finishes

Operating Temp. -40°C to +50°C (-40°F to +122°F)
