

GENERAL INFORMATION

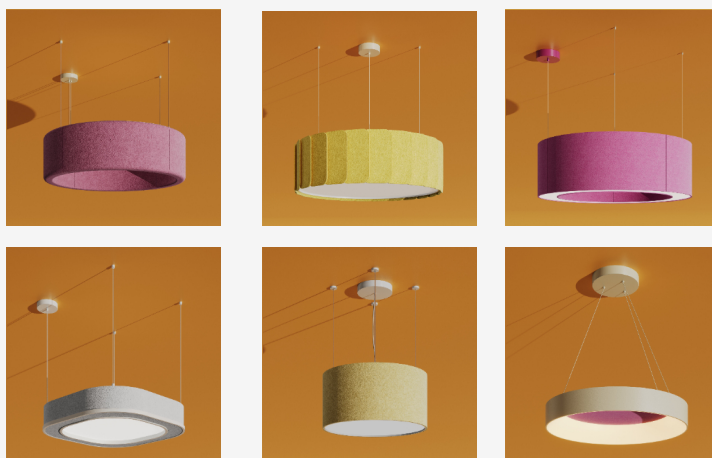

The MACARON Acoustic Pendant combines a soft circular silhouette with acoustic performance and comfortable direct illumination. Its 100% P.E.T. felt body helps absorb ambient sound, while the frosted acrylic diffuser provides smooth, evenly distributed light with minimal glare. Available in 5.74" and 8" heights, MACARON features 90 CRI, 2700K-4000K CCT options, integral 0-10V dimming, and 27 acoustic fiber finishes. Ideal for offices, meeting rooms, hospitality spaces, restaurants, lounges, and other interiors where visual comfort and acoustic control are equally important.
