

GENERAL INFORMATION

The SHELLA Pendant is a decorative architectural pendant defined by its rounded open-frame silhouette and layered metal structure surrounding a softly illuminated glass globe. The sculptural cage creates visual depth while allowing the frosted glass diffuser to provide smooth, comfortable 360° illumination. Available in three sizes with multiple wattage and CCT options, integral 0-10V dimming, and a broad selection of standard and metallic finishes, SHELLA is ideal for hospitality, dining, residential, lounge, and contemporary commercial interiors.
