

## GENERAL INFORMATION

The ECLOR Pendant is a bold architectural LED pendant defined by its substantial cylindrical profile and distinctive illuminated inner ring. Its sculptural metal body frames an open center, creating a strong graphic presence while the concealed LED source produces a controlled inward beam. Available in three sizes, multiple output levels, integral 0–10V dimming, and an extensive range of finishes, ECLOR is designed for hospitality, commercial, residential, lounge, and large-scale architectural interiors.
