

GENERAL INFORMATION

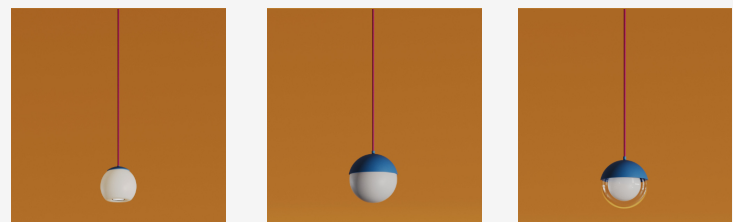

ALUNA RAINDROP reimagines the classic globe pendant as a graceful vertical composition of illuminated glass spheres. Inspired by falling droplets, it creates a refined visual rhythm while delivering soft, evenly diffused ambient illumination. Ideal for residential, hospitality, and commercial interiors, ALUNA RAINDROP is available in multiple lengths, configurations, and finish options. Whether installed individually or in clustered arrangements, it adds elegant verticality, sculptural character, and timeless appeal to any space.

SPECIFICATIONS

Material	Stainless Steel + Glass
Glass Diameter	4"
