# MAKE AN INSPIRED ENTRANCE

What do you want the entryway of your home to say?  
How do you want it to make people feel?  
Whatever vision you have in mind, we can help.

## Design that draws you in

Each of our entryway collections offers you something a little bit different, allowing you the freedom to create the look and feel you want. The one thing they all offer, however, is top-of-the-line quality, craftsmanship, and performance. Every single one of our doors is assembled in Edmonton, Alberta, which means every single one of our doors is built to thrive in the shifting elements of the prairies and beyond.

Design your own door  
with the DoorWays™ app.

# SMOOTH-STAR®

Clean contours in a smooth, paintable surface for endless colour options.

Smooth-Star® is the answer when the best look for the home is delivered in a sleek, paintable package. Smooth-Star® fiberglass doors are ready-to-paint with crisp, clean contours that meet the needs of homeowners seeking more colour options for their doorways.

# PULSE®

## Create a sleek entrance with vintage flair.

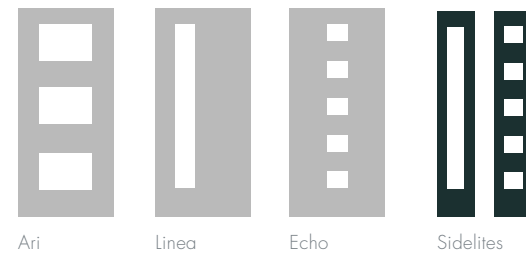

Clean lines. Crisp angles. Sleek designs. Vintage style. Pulse® is a contemporary series of door styles and glass designs that can be combined to make a bold statement.

## Applaud progress in design.

Sleek designs and modern materials applaud progress and give a nod to the past.

Expansive, open spaces inspired by natural, organic forms take cues from architectural icons like Frank Lloyd Wright and the Bauhaus movement.
