

## UW ALUMNI BRITISH ROCK STARS 2026: LIVERPOOL AND LONDON

**TRIP DATES: DEPART U.S. THURSDAY, JULY 16, 2026,  
RETURN TO U.S. SATURDAY, JULY 25, 2026**

The British Invasion kicked off as the Beatles touched down at JFK Airport sixty-two years ago. This July, we'll be kicking off a British Invasion of our own! Join [UW English professor Kent Drummond](#) on a tour like no other, focusing on the marketing machinery that keeps Britain at the top of the rock pile. In Liverpool, birthplace of the Beatles, we'll stand in Paul McCartney's living room, where he and John Lennon wrote hits like "She Loves You." In London, we'll brave the Abbey Road zebra crossing and dine with rock's legendary muse, Pattie Boyd. We'll have high tea at Kensington Palace and visit Churchill's War Rooms. As these unique experiences will demonstrate, many of Britain's greatest rock stars don't play guitars.

- » **July 17, 2026** - Arrive Heathrow Airport, charter bus pickup. We'll travel to Liverpool and check in to the Holiday Inn City Centre. We then head out for a visit to Strawberry Field. Our first group dinner at the Cavern Club Restaurant will be that evening. For those who feel up to it, we'll walk down the stairs and catch some music at the Cavern Club itself, where the Beatles played hundreds of concerts and caught the eye of their eventual manager, Brian Epstein.
- » **July 18, 2026** - We'll have breakfast (included) at Holiday Inn City Centre. Then we'll take a City Explorer Tour, a Beatles Explorer Tour, and a ferry trip on the River Mersey. The evening will be free to explore sites we passed on the tour.
- » **July 19, 2026** - We'll have breakfast (included) at hotel, then commence our day at the National Trust Childhood Homes Tour. This exclusive tour includes only two stops: the childhood homes of John Lennon and Paul McCartney. Next, we'll visit the amazing British Museum Experience, which places the Beatles in the context of Britain's rich and varied pop music scene.

Pattie and Rod's stories of their life and times among rock's greatest luminaries will leave you breathless -- guaranteed!
