

## LONDON & PARIS – ART AND HISTORY OF MEDICINE

**SEPTEMBER 13 – 22, 2027**

This immersive cultural journey explores the history of medicine as it developed in London and Paris through curated museum visits, personalized exclusive guided walking tours, and unique experiences. Travelers will engage with experts, explore historical sites of medicine and art, and enjoy optional cultural excursions including theatre, music, and cuisine. The tour blends structured learning with free time for independent exploration.

**Faculty Leads:** Brian Cherrington and Michael Dillon

**Price:**
