Guideline for Implementing the Golden Safety Rules

1. Set a Vision:

- **Demonstrate leadership** throughout the implementation of the **Golden Safety Rules**.
- **Set Goals** as to what you want to achieve by embedding the Golden Safety Rules.
- **Allocate resources** including a key member of your team as the Leader to ensure the Golden Safety Rules are consistently applied on ships.

2. Be Accountable and Committed:

- **Ensure** that all leadership team members demonstrate the same level of commitment.
- **Set expectations** with clear and measurable targets related to training, implementation and verification of compliance.
- **Request feedback** on the Golden Safety Rules and areas of concern.

3. Engage and Collaborate:

- **Encourage** all onshore and ship's personnel to feel free to speak up on concerns.
- **Be accessible** and demonstrate interest, by openly speaking to staff about the Golden Safety Rules.
- **Visit a ship(s)** to hear feedback on the Golden Safety Rules and follow-up by sending a communication to all company personnel regarding the visit.

4. Verify and Act:

- **Ensure** that there are checks on the progress and quality of the implementation.
- **Include as an item** in all senior leadership team meetings and in communications.
- **Use the opportunity** to build leadership skills and identify talent in the company.
