ABOUT US

WHO WE ARE

- Founded by Andrew Jeppesen (U.S. Army veteran) and Austin Miller (operations & gov contracting).
- Mission: Provide high-value, mission-critical weapons, components, and defense systems to the U.S. Government.
- Supported by nationwide facilities and partner warehouses for efficient, compliant distribution.

WHAT WE DO

- Manufacture, source, and supply small arms, weapon systems, aerospace and defense components.
- Partner exclusively with vetted domestic suppliers meeting strict security and compliance requirements.
- SFA Manages all freight and military packaging - domestic and international.

LEADERSHIP

- Andrew Jeppesen: Operations & production oversight
- Austin Miller: Contract management, federal compliance & strategic growth
- Brian Buldhaupt: Cybersecurity, logistics & DFARS compliance

OPERATIONS

Our in house logistics department is a service provider of catastrophic disasters & equipment used for CONUS/NON-CONUS missions domestically and internationally.

18 strategically and secure warehouses with global reach

VALUES AND ETHOS
