

North Island Summer Revolution

Thank you for registering your young person for **Summer Revolution 2027**.

Summer Revolution is Equippers' annual summer camp held across four unforgettable days for young people aged **13-18 years**. This year's theme, **AT YOUR WORD**, is based on Luke 5:5 and challenges a generation to trust God, step out in faith, and follow His leading. Through powerful worship, bold preaching, exciting activities, lifelong friendships, and opportunities to encounter God, we believe this will be a life-changing week for every young person.

We understand that sending your young person away to camp can feel like a big step, whether it is their first camp or they have attended many before.

Please know that the safety, wellbeing, and care of every camper is our highest priority. Summer Revolution is led by experienced and committed leaders who are passionate about creating a safe, fun, and faith-filled environment where young people can thrive.

Throughout camp, campers will be supervised by trained youth leaders and supported by a dedicated Health & Safety Team. We are also privileged to have **two qualified nurses onsite for the entire duration of camp**, providing medical support and care whenever needed.

Our Health & Safety Team has completed all necessary planning and risk management documentation to ensure camp activities are conducted safely. This includes comprehensive **RAMS (Risk Assessment Method Statements)** and **SWMS (Safe Work Method Statements)**, alongside emergency procedures and safety protocols for all camp activities and operations.

Thank you for trusting us with your young person. We are believing Summer Revolution 2027 will be a safe, memorable, and life-changing experience.
