

# WESTFIELD SUMMER CAMP 2026

## About Us

Westfield Education has been around since 2016, offering summer camps as well as full-year schooling from grades K-12. This year's summer program offers a balanced blend of sports, STEM, arts, drama, team challenges, outdoor games, and exciting daily themes. All activities take place in a supportive environment supervised by experienced teachers and qualified counsellors on our modern Toronto campus.

## ARTS

WSC offers our campers the opportunity to spend time crafting and creating through our art programs at Westfield. Learn to paint, sculpt, make media, and showcase your creative skills!

## STEM

The STEM schedule provides campers with the opportunity to explore, experiment, and innovate through hands-on learning experiences. Campers develop problem-solving skills while encouraging curiosity and confidence.

## SPORTS

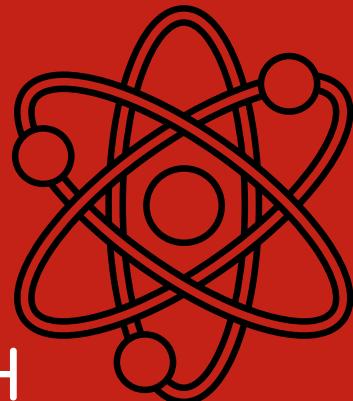

Our combination of indoor & outdoor sports keeps campers active and engaged, building skills through teamwork. From basketball and soccer to fun field games, campers learn the fundamentals while staying active and having a blast.
