Newsletter - **Fundraising Update**

Dear GreenState investors, enthusiasts, and supporters,

Thank you for your time and support. As always, we are pleased to share our company updates with you.

Key updates for February include:

- 1 Share price increase
- 2 Closing of the retail financing round
- 3 Event in Basel - GreenState on Tour
- 4 We are hiring - open positions!

THANK YOU
FOR YOUR SUPPORT

**1**

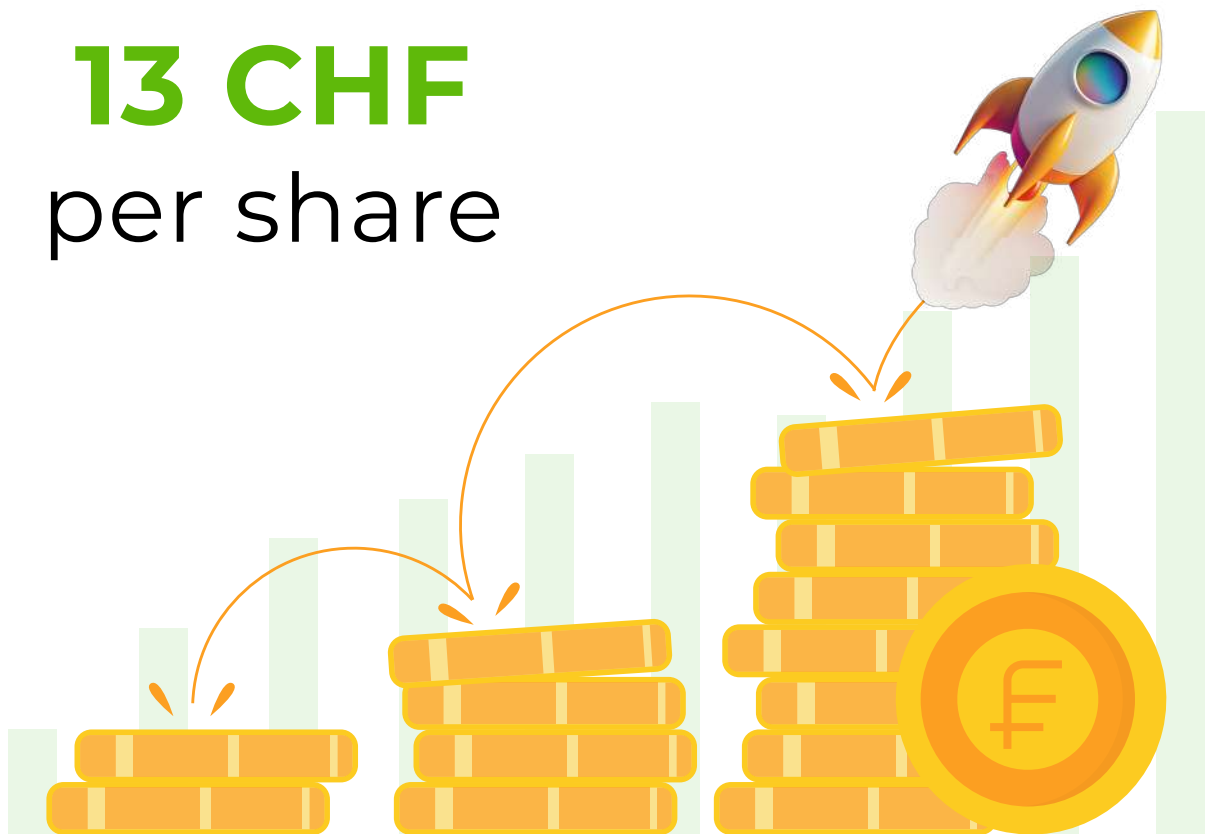

Share price increase

Hooray! Our company is achieving goals, reaching new heights, and growing in value. With the completion of our retail entrance contract this month, we have developed tangible and intangible assets, built necessary relationships, accomplished our goals, and raised a significant amount of funds. As a result, the price per share is increasing.

February is the last month to purchase shares at **CHF 13 each**. If you haven't done so already, act quickly as this is the last round at CHF 13 per share.

**LAST CHANCE TO
BUY SHARES AT THIS PRICE**

2 Closing of the retail financing round

We are informing you that the equity financing round will pause for at least one month after this round. Currently, GreenState AG has achieved its fundraising goals for company operations. Our focus now shifts to staff expansion, commercial roll-out, business development, administrative work, annual shareholders meeting preparation, further market expansion, and new marketing goals.

A new financial round for retail investors will open later this year. We will do our best to expedite this process and begin the new round as soon as possible.

During this period, interested parties can still subscribe to the GreenState AG Bond offering with a **5.5% annual interest rate** over a duration of 5 years.
