

How to Print Your Stroke Awareness Cards

Thank you for helping spread life-saving stroke awareness! This file includes:

- Page 1 – Front of the card (Know the Signs of Stroke)
- Page 2 – Back of the card (Call to Action + Support Info)

Printing at a Shop

1. Upload this file to a print provider like FedEx Office, UPS Store, Staples, or VistaPrint.
2. Select double-sided business cards, size 3.5" x 2".
3. Choose a sturdy paper (matte or glossy finish works well).

Share & Save Lives

- Keep a few cards in your wallet or purse.
- Share them at community events, health fairs, or with friends and family.
- Encourage others to know the signs of stroke — and act FAST.

Together, we can raise awareness and close the stroke care gap.
