## Scope of Work

The **Essential Renovation Package** is designed for homeowners seeking to update their home with essential improvements while staying within a more modest budget. This option focuses on delivering functional upgrades that will give your home a refreshed look without extensive structural changes.

### Scope of Work Includes:

- **Interior Painting:** Repainting all rooms with high-quality, low-VOC paints to refresh the home's interior while ensuring healthier indoor air quality.
- **Flooring Replacement:** Installation of new, durable flooring materials, including laminate or engineered wood, across living spaces.
- **Lighting Upgrades:** Replacing outdated fixtures with modern, energy-efficient lighting options to brighten up your space.
- **Basic Electrical Work:** Rewiring or upgrading electrical systems to meet safety standards and accommodate modern needs.

### Remodel “Modern Minimalism”

This project focused on transforming a dated kitchen into a sleek, open-concept space. Our team installed custom cabinetry, quartz countertops, and high-end stainless steel appliances, all while improving the layout for increased functionality. The homeowners loved how the space now flows effortlessly, with plenty of room for entertaining.

## Living Room Renovation

The homeowners wanted a low-maintenance solution that provided ample space for outdoor entertaining and relaxation. Our team worked closely with them to design a multi-level deck that blends seamlessly with the natural landscape.

## Outdoor Oasis

In this living room remodel, we created a warm, welcoming space featuring a new fireplace with a custom-built mantel, hardwood floors, and integrated smart home features like remote-controlled lighting.

## Terms & Conditions

Before starting your renovation, we believe in ensuring complete transparency. Our terms and conditions are designed to protect both parties and ensure smooth project execution.

### Payment Terms

- A **30% deposit** is required before work begins.
- Progress payments are due at key milestones, which will be outlined in the project schedule.

### Project Timelines

While we make every effort to complete projects on time, factors such as **weather delays** or **material availability** may impact the final completion date. Any changes to the timeline will be communicated promptly.

### Change Orders

If you wish to make changes to the scope of work after the project has begun, these changes must be documented in a **written change order** and may result in additional costs.
