#### **IV. Treasurer's Report**

Daniel Ming stated that after looking at some of the accounts, some of the accounts do not give us the statements from the previous month until after our usually scheduled Board meeting, depending on the date the meetings fall. He would like to change how we present the Treasurers report in order to have full information presented for the previous month.

Motion to change the procedure of when we are approving the Treasurer's monthly report from potentially incomplete reports the month of to a full monthly report the meeting following the month being approved. (The spirit of this is that a Treasurers report ending January 31<sup>st</sup> would be approved in the March meeting instead of the February meeting).

Motion: Daniel Ming

Second: Joaquin Farinha

Motion Passes : Unanimous

With this motion passing, the Treasurer's Report ending February 28<sup>th</sup> will be approved in the April Board meeting.

#### **V. Old Business**

##### **d. Mary Zenor Committee**

- i. Trevor passed out a packet detailing the Mary Zenor Scholarship committee this year. April 30<sup>th</sup> will be the

deadline pending Board approval of the new structure, awards, and amounts.

- ii. The largest change to the scholarship is eliminating the Member scholarship due to the County already having an education reimbursement program in place. To address the loss of this category, we will be bringing in someone from the County to better explain this reimbursement process.

A motion was made to approve the Mary Zenor packet as presented.

- i. Motion: Joaquin Farinha
- ii. Second: Dwaynitta Parker
- iii. Motion passes : Unanimous

e. Financial Investment Committee

- i. This committee did not meet this month, but we are waiting to see if we qualify to move money into a money market account through the Police Credit Union. This committee is still working on getting answers and the details before presenting to the Board for a vote.

f. Website Committee

- i. Keion has been working on the website. He will be continuing to work on this to include website updates and mobile app rollout.
- ii. The name of the company related to the app is called Connect Plus, so if you get an email from this company this is more than likely coming from the union to sign you up for access.

B. PORAC Retirement Medical Trust

- a. Joaquin is working on setting some dates with Terry (who is the president of the RMT). We are involving Terry to make sure that we have any questions that pop up be answered by the source of the RMT.
- b. This is something that we have previously negotiated with the contract to replace Mission Square. The presentations will be to inform the members of the details and to get members who are not currently PORAC Members to join in order to be in the RMT. The ultimate choice of joining the RMT will require a vote of the membership.

Motion to go into Executive Session  
Motion : Michelle Chao  
Second : Aaron Wallace  
Motion Passes : Unanimous

**VII. Executive Session @1227**

Executive Session ended and the meeting went back into open session. During executive session, topics related to zoom meeting policy and procedures, disciplinary and legal topics, and updates from all representatives.

A Motion was made for using zoom to include accessing zoom have cameras on, no recording of meeting, no questions taken during meeting, and to have to be on personal phone/computer instead of a County device.

Motion : Joaquin Farinha  
Second: Daniel Ming

During discussion, some suggested eliminating zoom meetings altogether and returning to pre-COVID procedures. Some members voiced concerns about members losing access to the meetings without a zoom option, especially with the current time the meetings are scheduled. During the discussion, an amended motion was made to include “to develop a policy” for the original motion. By developing a policy instead of a statement of limitations, this will make the rules clear for Membership when accessing the meetings via zoom. The new motion is “A Motion was made to develop a policy for zoom usage to include accessing zoom requires cameras to be on, no recordings of meeting, no questions taken during meeting, and access must be on personal phone/computer instead of a County device.”

Motion : Jonathan Charron  
Second : Michelle Chao
