The Holy Bible

#### **Course Description:**

God has created you for fellowship and a continuous relationship with Him through a life of communion with Him. Communion involves communication between you and God. This course will help you know and recognize His voice on a regular basis. The principles you will learn will help unlock the visionary nature with which you were created. God intends that you converse with Him in prayer and learn to recognize the sound of His voice. Understand how God will turn His written word (*logos*) into revelation (*rhema*) for your life.
