Ignatius Book Fairs offer an incredible selection of works that inspire and educate our students. In preparation for the Book Fair there are a few steps that need to be taken.

## Next Steps:

**Create Your Parent Account:** Support our school by shopping online before, during and after the fair. Create an account here: [store.ignatiusbookfairs.com/?signup=true](https://store.ignatiusbookfairs.com/?signup=true). Online purchases during the book fair dates receive free shipping to the school.

## Volunteers Needed:

We invite you to sign up to volunteer at these events on our sign up sheet here:

### Additional Highlights:

**Student Wish List:** Students can browse the books and create a wish list on the first day of the fair. The wish list will go home for your review. Please approve the items you would like your child to have and select your payment option at this time. The next day, students will visit the book fair to finalize their purchases.

**Teacher Wish List:** Our teachers will also create a wish list to build up their classroom library. Please consider donating by stopping at the fair and/or browsing their selections online.

### School Incentive Program:

Our school receives rewards for every book purchased during and after the fair. Continue shopping all year long on the Ignatius Book Fair website to help us earn free books for our school. Each purchase from the fair or website benefits our school, allowing us to enhance our library resources and reading programs.

Should you have any questions, please do not hesitate to contact the Book Fair Organizer.
