Event Overview

NutraNXT 2025: Catalyzing Transformative Growth in Specialty Foods & Nutraceuticals

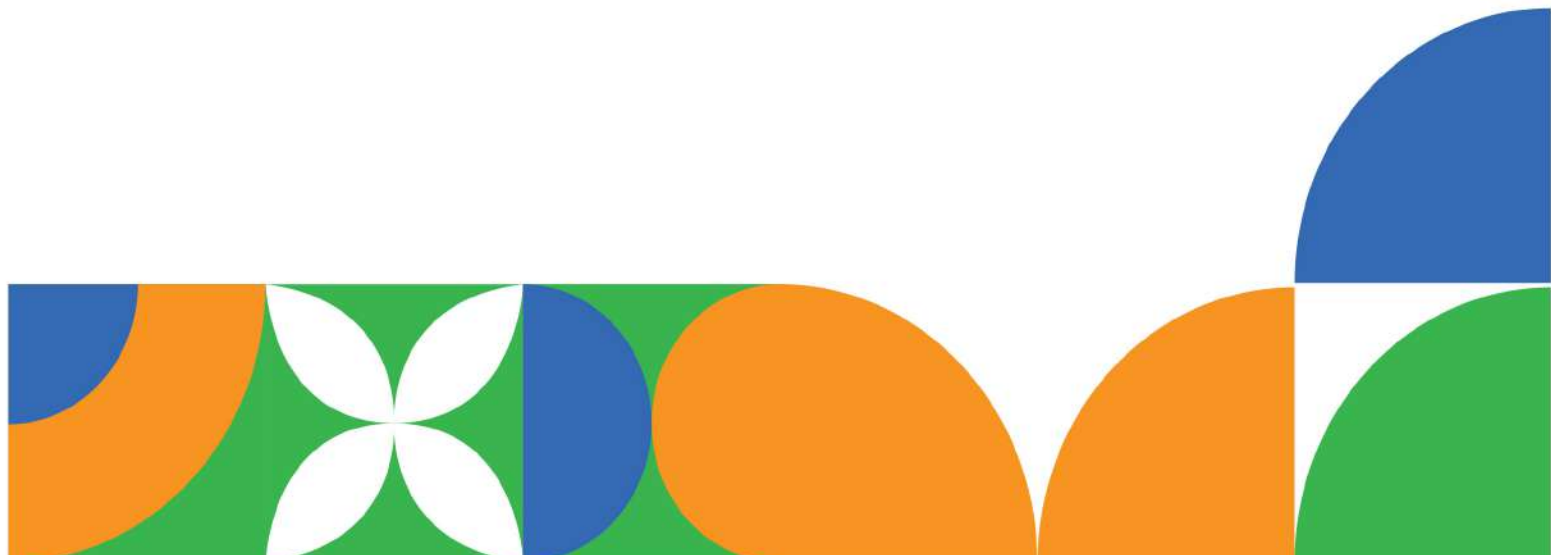

Date: 26th & 27th September, 2025

Venue: The Westin Mumbai Powai Lake

About the Event

In a world where food is no longer just about sustenance, NutraNXT 2025 arrives as the definitive platform to navigate what's next. This is India's most forward-thinking Conference & Expo on Specialty Foods and Nutraceuticals, crafted for a new generation of brands, scientists and strategists building the future of what we eat, drink and supplement.

Hosted in the heart of Mumbai, NutraNXT brings together the sharpest minds and the boldest brands—from legacy FMCG giants to agile D2C innovators, from functional food pioneers to wellness-driven biotech disruptors. It's where clinically backed breakthroughs meet market-ready experiences and where science, storytelling and scale converge.

Why Sponsor NutraNXT?

NutraNXT is a platform built to accelerate commercial visibility, consumer engagement and ecosystem partnerships. With thousands of footfalls expected across business and wellness segments, brands can:

01

Lead industry conversations through curated speaking slots

02

Build trust and traction with high-intent B2B and B2C audiences

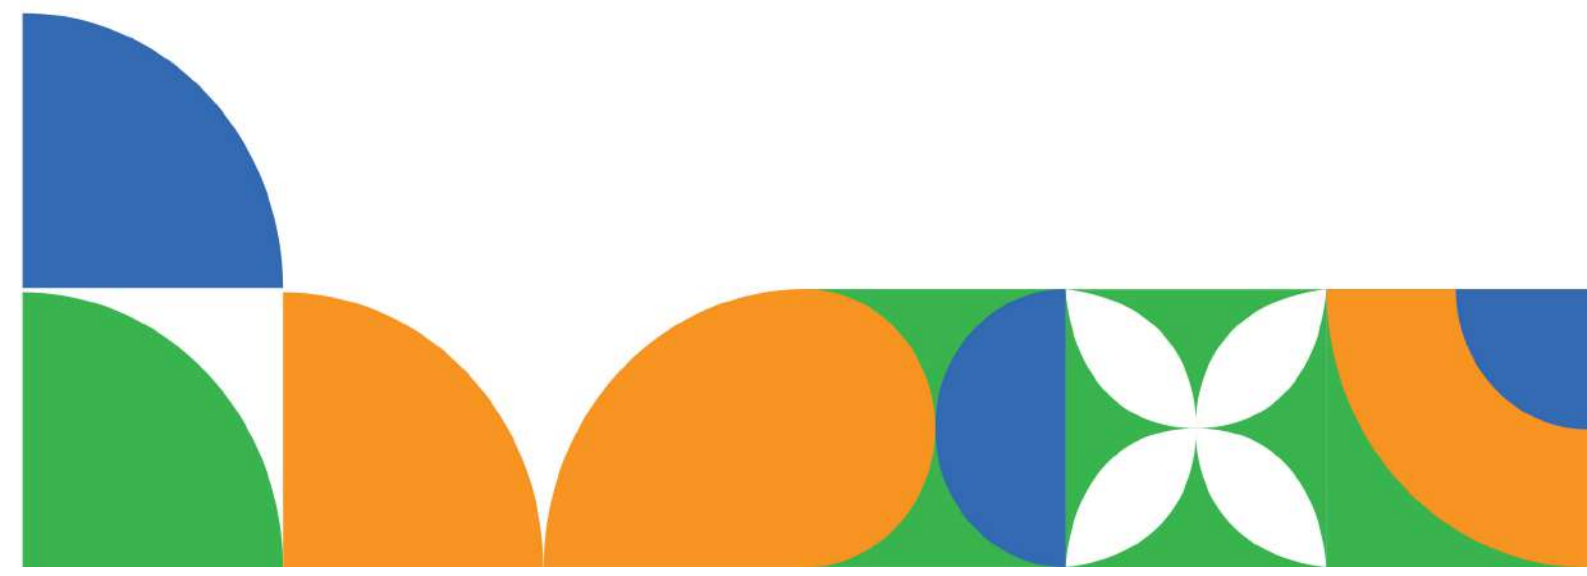

03

Launch or amplify products with real-time demos and influencer interaction

04

Create long-term relationships with investors, retailers and policy-makers

NutraNXT is more than a moment – it's a movement. And your brand deserves to lead it.

Sponsorship ROI & Strategic Advantage

Sponsors at NutraNXT unlock:

01

Direct access to over 1,000+ industry professionals and consumers across two days

02

High-impact lead generation through real-time engagement, sampling and feedback

03

Inclusion in pre-event marketing across email, social media and influencer amplification

04

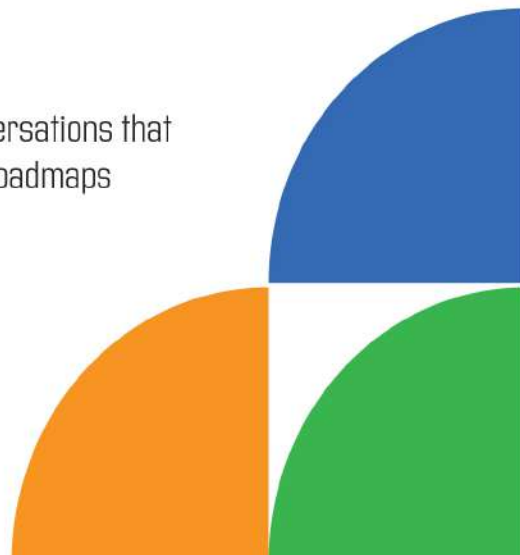

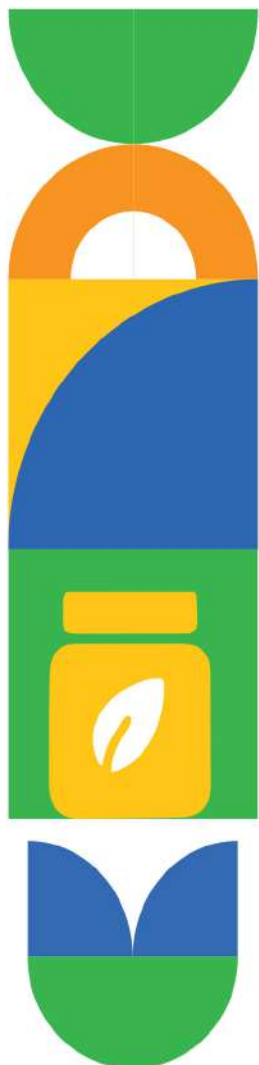

Post-event content integration including recap videos, press releases and whitepapers

05

Strategic brand visibility across curated content, panel discussions and media zones

06

Opportunity to co-own category conversations that influence investment and regulatory roadmaps
