

S-3100

TACK PANELS

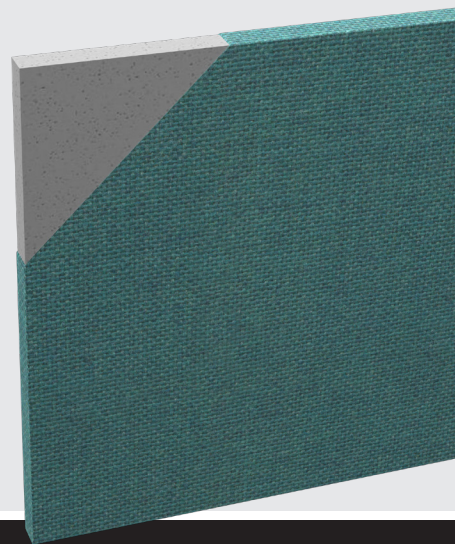

The S-3100 Panel is manufactured specifically as a tack panel and offers minimal sound absorption. Application for the S-3100 panels includes any application that requires a highly tackable wall solution such as conference rooms, classrooms and offices.

FEATURES:

- High tackability
- Class A fire rated
- Standard, designer or C.O.M. fabrics
- Easy to install
- Custom sizing

APPLICATIONS:

- Classrooms
- Offices
- Conference rooms
- Lobbies/Entryways
