June 2026

What's Happening at Westfield

June has been a wonderful month at Westfield as we celebrated the end of the school year with exciting events and community initiatives. Students enjoyed a fun-filled Beach Day at Ashbridges Bay Park with a barbecue and outdoor activities. The school also came together to support Eva's Place through a donation drive for youth experiencing homelessness. As we wrap up another successful year, we thank our students and staff for making Westfield such a special community!

Beach Field Trip

On June 11th, our Westfield students enjoyed a wonderful day outdoors during our beach field trip to Ashbridges Bay Park. The day was filled with fun, as students participated in activities such as tug-of-war, volleyball, and creative drawing. Everyone also enjoyed a delicious barbecue lunch with snacks and fruit while taking in the beautiful waterfront scenery. The trip was a fantastic way to celebrate the approaching end of the school year. Thank you to all teachers and staff for helping prepare food and making this day a success!

EVA'S PLACE: WESTFIELD'S INITIATIVE

Throughout the month of June, the Westfield community came together to support Eva's Place through a school-wide collection of non-perishable food items and essential everyday necessities. Thanks to the generosity of our students and staff, we were able to donate a wide range of much-needed supplies to help local youth experiencing homelessness.

Eva's Place is a youth shelter and transitional housing program that provides safe accommodation, meals, counselling, life-skills programming, and support services for young people facing homelessness and housing insecurity.

Thank you to everyone who participated and helped make this initiative a success. Together, we are building a stronger and more caring Westfield community.

END OF SCHOOL!

As another school year comes to a close, we want to thank everyone for making this year one filled with unforgettable memories. From academic achievements and athletic successes to community initiatives, performances, and special events, the Westfield community continues to demonstrate academic excellence and school spirit. We wish everyone an enjoyable summer break and look forward to welcoming everyone back in September!
