March 2026

What's Happening at Westfield

March was a refreshing month at Westfield Secondary School. Students got to attend a special post-secondary assembly with a representative from the University of Ottawa as they begin planning for life after high school. Before the March Break, students also enjoyed an exciting hockey game field trip, where they had the chance to experience the energy and atmosphere of live hockey together as a school community. March Break gave students and staff a well-deserved opportunity to rest, recharge, and spend time with family and friends before returning ready for a strong finish to the school year.

Visit from U Ottawa

Students at Westfield had the opportunity to attend a special post-secondary assembly featuring a representative from the University of Ottawa. During the presentation, students learned about the university's academic programs, campus life, admissions process, scholarships, and co-op opportunities. The session also gave students a look into planning for life after high school and exploring different pathways for their future education and careers.

Students had the chance to ask questions about university experiences, student support services, and opportunities available both inside and outside the classroom.

HOCKEY GAME FIELD TRIP

On March 4th, students at Westfield enjoyed an exciting field trip to watch the Toronto Marlies in action at the Coca-Cola Coliseum. The game provided a thrilling live sports experience, allowing students to witness high-level hockey and sportsmanship up close. Beyond the action on the ice, the outing was a great chance for students to bond, show school spirit, and create lasting memories together. We were thrilled to see the home team come away with a win!

WE HOPE EVERYONE
HAD A RESTFUL
MARCH BREAK!
