Theres no shame in using tarot card cheat sheets - in fact, I would highly encourage it. You would much rather get it right, than be too proud to double check! Whether you're new to tarot or have been flipping cards for years, it's always handy to have a quick reference to the meanings of each card, both upright and reversed. These printables cover all the major and minor arcana cards, including Wands, Cups, Swords, and Pentacles, from the Rider-Waite Smith deck, providing a clear and concise guide to the key interpretations for each card. Sometimes, it can feel overwhelming to remember every meaning, especially when you're doing a reading on the fly. That's where these cheat sheets come in to help. With this easy-to-follow format, you can quickly glance at the card's message and interpret it with confidence. If your after even more tarot resources, we also have these tarot spread cheat sheets, which cover 28 of the most popular (at least in my own experience) tarot spreads. And for keeping track of your reads, we also have these **3 Card Tarot Journals**, **6 Card Tarot Journals** and Celtic Cross Spreads. Click on the image of the cheat sheet you want to download. You'll be taken to a PDF file where you can view it in detail. Use your browser's download option to save the PDF directly to your device or print it straight from your browser.
