

## IMPORTANT RENEWAL ANNOUNCEMENTS

### Dear Valued Policyholder:

At Pacific Cross, we constantly review our products and services so we can find ways to better serve you. We keep you in mind as we look for ways to strengthen our business amidst an evolving socio-economic, medical, and business landscape. We want to always bring you benefits that are responsive to your needs especially during these challenging times. As your Insurance Policy renewal draws near, we would like to update you of the important changes and programs that affect your coverage with us:

**Key Policy Changes:** We have identified subcategories on Surgical Procedures and Non-Surgical Procedures in order to clarify and align the coverage and limits for each. Please review this material to know what other changes to expect when you receive your Insurance Policy upon renewal.

**General Price Adjustments:** Our regular pricing review considers several factors such as the rising over-all company claims experience, economic inflation, as well as the increasing cost of medical treatment and advancement. These factors have constrained us to increase our premiums for Renewal Business effective 1 January 2024.

**Blue Royale Premier Medical Plan will be discontinued after two (2) Policy years:** Pacific Cross is committed to offer better products and services that will be able to fulfill our clients' needs especially in these challenging times. Upon careful review, it is the Company's intent to discontinue some of our medical plans (including the Blue Royale Premier Medical Plan) and streamline our Blue Royale Medical Plan line – extending its maximum age of eligibility from 65 years old to 100 years old. Our Blue Royale Plans A, B and C were made available to Policyholders over 65 years of age – providing an all-inclusive medical and travel coverage to our senior-aged Policyholders.

In the meantime, Blue Royale Premier Medical Plan Policyholders can continue to avail of Blue Royale Premier Medical Plan for two (2) more Policy years or opt to renew now under a more comprehensive plan. For more details, please refer to the Senior Plans Flyer.

**Free Unlimited 24/7 Teleconsultations:** We are #HereForYou to help you get faster and easier quality healthcare access. In partnership with KonsultaMD, you can enjoy unlimited medical consultations whenever and wherever.
