Some things all applicants should know:

As with all insurance, there are some important points you should know before entering into a contract. In this section, we identify some key Policy provisions.

1. All applicants must answer the corresponding application form and medical questionnaire as truthfully as possible. Failure to answer the questions in full, concealment, or misrepresentation of any medical condition will affect your Policy and the payment of your claims.

Applicants aged **71 to 100 years old** are required to undergo a **physical exam and the listed medical tests**. All you have to do is answer the **Select Medical Application Form For 71 to 100 Years Old** and complete the **Full Medical Examination Form** which should be facilitated by your medical examiner. While a physical exam and medical tests are **not mandatory** for applicants under **71 years old**, you may be subject to **random selection** of medical examination and/or testing as part of the underwriting process. The appropriate forms corresponding to your age are downloadable from our website and can be provided to you by our Sales Representatives.

2. Your coverage begins 30 days after the date shown on your Policy. However, you already have immediate coverage for accidental injury.
3. A Pre-Existing Condition is any disability which existed before the commencement of cover as it presented signs or symptoms which you were aware or should reasonably have been aware of. Pre-Existing Conditions are also those that are known to you because you have felt its signs and symptoms regardless if this prompted you to seek for treatment, medication, advice, or diagnosis. When you answer our Medical Questionnaire, please ensure that you tell us about all your medical conditions and symptoms happening at any time in the past and/or present, known and/or suspected, whether or not treatment or professional advice was sought. Based on your provided details and submitted medical reports, declared pre-existing conditions may be covered immediately subject to the Company's underwriting guidelines.

Pre-Existing Conditions shall always include the following Disabilities, together with their complications and sequelae, even if you were unaware of them at the time of application:

- a. Mass/Tumors/Cyst of Internal Organs or on Skin, Muscular Tissue, Bone, or any form of Blood Dyscrasias, regardless of histopathological feature
- b. Diabetes Mellitus, Hypertension, Cardiac and Vascular Conditions, and Cerebrovascular Diseases/Transient Ischemic Attack
- c. Urinary Calculi/Gallbladder Stone, including Cholecystitis
- d. Goiter and other Thyroid Disorders
- e. Asthma/Chronic Obstructive Lung Disease
- f. Degenerative Bone/Joint Disease including Gout, and Spinal Column Abnormalities

These Disabilities, along with their complications and sequelae, will only be covered after a one-year waiting period from the date of your inclusion in the Policy, unless disclosed and accepted by an Endorsement from the Company.

4. While your Policy is issued in the Philippines, it can provide Emergency Coverage when you are overseas. The maximum period of cover should not exceed more than 30 days per trip during the Policy year.
5. Certain conditions are generally excluded from being covered such as the following:
 - Congenital conditions, birth defect and abnormalities
 - Durable medical equipment, grafts, prosthetic devices and corrective devices other than artificial limbs
 - Cosmetic surgery or related complications, contact lenses, hearing aids and prescriptions thereof, except those that may be required for reconstructive surgery due to or as a result of an accident
 - Suicide, attempted suicide or intentional self-inflicted injury
 - Pre-Existing Conditions unless such have been declared and approved by the Company
 - Sexually Transmitted Diseases (STDs)
 - All contraceptive methods of birth control; or screening and/or treatment pertaining to infertility
 - Childbirth and any form of delivery; miscarriage and abortion, including their complications and nursing care for the newborn
 - Auto-immune conditions, their complications and any related treatment including the use of immunoglobulin and any form of immunotherapy, unless specified as covered in the Schedule of Benefits
 - Use of immunoglobulin and any form of immunotherapy except in conjunction with covered vaccines and as a combined treatment with chemotherapy
6. Your contract is guaranteed renewable up to age 100. However, we reserve the right to adjust your premium and other Policy conditions upon written advice 45 days prior to each renewal.
7. Your contract contains a provision on the Insured Person's right to Free-Look Period.
8. For full details, please refer to the Policy.

The Documentary Stamp Tax (DST) should be deducted from the Core Benefits Premium before applying any discount and/or loading (i.e., additional premium). The DST should be added back after all discounts and loadings have been applied, and then add the premium for any applicable optional benefits (e.g., optional Out-Patient and Dental benefits). The DST amounts are as follows: ₱150 (Ward) and ₱200 (Semi-Private, Private 2M, Private 3M and Private 5M).

If you are paying on semi-annual mode, please note that 8% surcharge and DST charge will apply. The amounts of your first and second installment will vary with the former being slightly higher than the latter due to DST.
