Some things all applicants should know:

As with all healthcare plans, there are some important points you should know before entering into a contract. In this section, we identify some key Agreement provisions.

1. BC Flexi Access Plus is designed for groups of 3-50 and 10-50 employees. Issue ages are 18 up to 65 years old for Employee, Dependent Spouse and/or Parents and 15 days up to 23 years old for Qualified Minor Dependent (Child or Sibling).
2. Benefits are inclusive of PhilHealth.
3. A Pre-Existing Condition is a disability or illness which existed before the commencement of coverage. The existence of a Pre-Existing Condition can be medically determined given its natural history or the manner of development of a disease, which means you may or may not be aware of its presenting symptoms. Pre-Existing Conditions are also those that are known to you because you have felt its signs and symptoms regardless if this prompted you to seek for treatment, medication, advice, or diagnosis.
4. While your Agreement is issued in the Philippines, it provides Emergency Coverage in Foreign Territories. This covers overseas emergency cases for 90 days of accumulated stay (no more than 30 days per trip) during the Period of Coverage.
5. Certain conditions are permanently excluded from being covered. These conditions include:
 - Durable medical equipment, grafts, prosthetic devices and corrective devices other than artificial limbs
 - Cosmetic surgery or related complications, contact lenses, hearing aids and prescriptions thereof, except those that may be required for reconstructive surgery due to or as a result of an accident
 - Suicide, attempted suicide or intentional self-inflicted injury
 - Sexually Transmitted Diseases (STDs)
 - All contraceptive methods of birth control; or screening and/or treatment pertaining to infertility
 - Pregnancy related expenses and screening, childbirth (including surgical delivery); miscarriage and abortion, including their complications; pre-natal or post-natal care as well as nursing care for the newborn
 - Auto-immune conditions, their complications and any related treatment including the use of immunoglobulin and any form of immunotherapy, unless specified as covered in the Schedule of Benefits;
 - Use of immunoglobulin and any form of immunotherapy except in conjunction with covered vaccines and as a combined treatment with chemotherapy;
6. For the full list of exclusions, terms, and conditions, you may request for a specimen copy of the BC Flexi Access Health Care Agreement (BCFAP) by sending an e-mail to client_services@pacificcross.com.ph.
