Some things all applicants should know:

As with all insurance, there are some important points you should know before entering into a contract. In this section, we identify some key Policy provisions.

1. Paramount Life & General Insurance Corporation, using the Pacific Cross brand (the "Company") is the Insurer of Record for all Pacific Cross insurance policies.
2. All applicants must answer the corresponding application form and medical questionnaire as truthfully as possible. Failure to answer the questions in full, concealment, or misrepresentation of any medical condition will affect your Policy and the payment of your claims.

Applicants aged **71 to 100 years old** are required to undergo a **physical exam and the listed medical tests**. All you have to do is answer the **Select Medical Application Form For 71 to 100 Years Old** and complete the **Full Medical Examination Form** which should be facilitated by your medical examiner. While a physical exam and medical tests are **not mandatory** for applicants under **71 years old**, you may be subject to **random selection** of medical examination and/or testing as part of the underwriting process. The appropriate forms corresponding to your age are downloadable from our website and can be provided to you by our Sales Representatives.

3. Your coverage begins 30 days after the date shown on your Policy. However, you already have immediate coverage for accidental injury.
4. A Pre-Existing Condition is any disability which existed before the commencement of cover as it presented signs or symptoms which you were aware or should reasonably have been aware of. Pre-Existing Conditions are also those that are known to you because you have felt its signs and symptoms regardless if this prompted you to seek for treatment, medication, advice, or diagnosis. When you answer our Medical Questionnaire, please ensure that you tell us about all your medical conditions and symptoms happening at any time in the past and/or present, known and/or suspected, whether or not treatment or professional advice was sought. Based on your provided details and submitted medical reports, declared pre-existing conditions may be covered immediately subject to the Company's underwriting guidelines.

Pre-Existing Conditions shall always include the following Disabilities, together with their complications and sequelae, even if you were unaware of them at the time of application:

- a. Mass/Tumors/Cyst of Internal Organs or on Skin, Muscular Tissue, Bone, or any form of Blood Dyscrasias, regardless of histopathological feature

These Disabilities, along with their complications and sequelae, will only be covered after a one-year waiting period from the date of your inclusion in the Policy, unless disclosed and accepted by an Endorsement from the Company.

5. While your Policy is issued in the Philippines, it can provide Emergency Coverage when you are overseas. The maximum period of cover should not exceed more than 30 days per trip during the Policy year.
6. Certain conditions are generally excluded from being covered such as the following:
 - Congenital conditions, birth defect and abnormalities
 - Durable medical equipment, grafts, prosthetic devices and corrective devices other than artificial limbs
 - Cosmetic surgery or related complications, contact lenses, hearing aids and prescriptions thereof, except those that may be required for reconstructive surgery due to or as a result of an accident
