This Week's
MISSION FOCUS

Kyongmin Choi & Eunjin Kim
Serving in the country of Georgia

Kyongmin Choi and Eunjin Kim serve with Korea Evangelical Holiness Church. In Georgia, they support the local church and teach children worship songs and the Bible. They are translating kids ministry materials into the Georgian language with the local Christian channel. They are also preparing to establish a Korean/English library for an education ministry.

Join them in praying for the necessary financial resources to be provided for their library ministry. They are currently raising the funds to purchase a library building.

Ask that God would give them good ministry partners to work with in Georgia.

Pray that Eunjin, Kyongmin, and the entire Christian Channel Team would recognize and testify to God's work throughout the entire process of translating and recording children's materials.
