## Life Centers

Serving in Indianapolis, Indiana

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related decisions and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

They need to continue to find ways to meet the clothing and diaper needs for their moms. They are always in need of toddler-sized clothes.

They are looking for more men to volunteer. When they started their Purpose Driven Dad's program it was at maximum capacity in just a few weeks. They need more men to help.

They are working hard to make certain their Banquet is successful. Please pray for this event as it is their main fundraiser.

Please pray for their Center Staff. They are under extreme spiritual attack. They are dependent on people praying for them and having the time to be in the word and filled up daily.

Pray that they are bold and sensitive to the Holy Spirit as they share the love of the Lord. Pray that many will find truth and accept Christ.

Please pray for their abortion vulnerable clients. Life Centers wants to be there for them in a way that gives them truth, courage, and hope!

*We need additional childcare volunteers for infants through preschool. If you would like to volunteer, contact Brittany Zimmerman at [bzimmerman8446@gmail.com](mailto:bzimmerman8446@gmail.com).*
