

Pray for always:

- ☐ **God's blessing on the President** and all those in leadership in our nation, state and city.
- ☐ **All members of our staff** as they seek to honor the Lord in their respective ministries.

Missionary focus of the week:

- ☐ Sasha and Olga Skrypak, serving with Almaz Church - Ukraine.

New Prayer Requests:

- ☐ **Clarence Fackler**, father of Sherri Kent, who is 93 years old and having back and leg pain.
- ☐ **Shawna Luke**, whose infection is back. Please pray for doctors to determine the cause, for effective treatment, for pain relief, and for her energy to return.
- ☐ **Brian Luke**, who is having issues with his sciatic nerve. He will need home therapy and is unable to leave his house at this time due to the fall risk.
- ☐ **John Hawk**, who is improving and can now eat regular food. He is walking unassisted in his home and with only a cane out of the house. Pray for his PT appointment and that he could continue therapy twice a week to help with his continued recovery. Please pray for Diane as she cares for him.
- ☐ **Linda Schildt**, who underwent emergency back surgery a while ago but has an infection. She is receiving IV antibiotics for 8 weeks. She is about halfway through and getting better. Please continue to pray that the antibiotics eliminate the infection.
- ☐ **Elijah Smith, Char Urban's son**, who is now in rehab after suffering a stroke. He is breathing on his own but still has a trach. He is doing well and making progress. Char is thankful for our prayers.
- ☐ **Annette Spicer**, whose surgery recovery is going slowly. She will be starting physical therapy soon. Please pray that she would be eligible to receive disability insurance.

On-going Requests:

- ☐ **Jack Haun**, who had an injection in his knee to help with arthritis. Please continue to pray for him.
- ☐ **Gary Harris**, whose sarcoma is growing back and is quite large. He was scheduled to fly back to Indy this week. His surgeon is unavailable so they are looking for another surgeon to treat him as soon as possible. Please pray for a surgeon and information on treatment. Gary does feel good so that is a blessing.
- ☐ **Mary Helm**, who has one more weekly infusion and then a couple more infusions at 6 week intervals. This treatment seems to be going well.
- ☐ **Jack Haun's grandson, Brett (31)**, who has a blood disease that is attacking his transplanted (2016) kidney. He is on the national kidney transplant list and all pre-testing is completed. Please pray for a donor to be located soon.
- ☐ **Jill Helm**, daughter of John and Mary Helm, who has fast progressing Alzheimer's and is declining quickly. Please pray for the family to find trustworthy caregivers to provide respite care. The family appreciates your prayers as they navigate this difficult road.
- ☐ **Bill and Linda Bramell's son, Patrick**, who is deployed near the Israel/Jordan border. Please pray for his protection and for his wife and two children. He will be deployed for one year.
