

Pray for always:

- ☐ **God's blessing on the President** and all those in leadership in our nation, state and city.
- ☐ **All members of our staff** as they seek to honor the Lord in their respective ministries.

Missionary focus of the week:

- ☐ Campus Outreach, serving in Central IN

New Prayer Requests:

- ☐ **Darrell Stevens**, who is home but having a problem with his stomach valve. He has several tests coming up.
- ☐ **Hearl Herrod**, who had surgery to remove his eye due to cancer. He is healing well and will begin the process of getting his prosthesis 10/31 . Unfortunately the cancer has spread to his liver. Please pray specifically that he has a certain gene that will determine his next treatment steps.
- ☐ **Judi Johnson**, who had a medical procedure done recently. She is healing and getting stronger. Please continue to pray that she gets stronger and has no complications.
- ☐ **Nick Moya**, who has a congestive heart condition that is causing his AFib. He is having an ablation 11/11 to correct the AFib. He is also having a heart cath. He also has breathing problems.
- ☐ **Gary Harris**, who had surgery on 8/27. Doctors had to remove 50% of his skull. Praise, Gary had an MRI done and the results show NO sarcoma or tumor. Gary will still have radiation treatments, beginning 10/27 and continuing 5 days per week until December. Please pray that Gary will not have side effects.

On-going Requests:

- ☐ **Jack Haun**, who had an injection in his knee to help with arthritis and has had a UTI for many months. He is starting a new prescription. Please pray that it works quickly.
- ☐ **Mary Helm**, who has another infusion scheduled for November. Pray that the infusions are effective and the results are good.
- ☐ **Jill Helm**, daughter of John and Mary Helm, who has fast progressing Alzheimer's and is declining quickly. The family appreciates your prayers as they navigate this difficult road.
- ☐ **Elijah Smith, Char Urban's son**, who is now in rehab at Envive in Beech Grove, after suffering a stroke. He is slowly making some progress and saying some words. Therapists are working with him to get him to sit on the edge of the bed and he is doing well. Therapists were also impressed with his swallowing and ability to feed himself. Praise, improvements are continuing to happen!
- ☐ **John Hawk**, who is continuing to improve. He has an appointment with a surgeon to discuss treatments for his neck and back pain. He also needs to have his feeding tube removed. Please pray that these details would get worked out. Please pray for Diane as she cares for him.
- ☐ **Brian Luke**, who has body aches and falls frequently due to his cerebral palsy. The falling is improving. However, Brian cannot leave his home because LED lights hurt his vision. He appreciates your prayers.
- ☐ **Bill and Linda Bramell's son, Patrick**, who is deployed near the Israel/Jordan border. Please pray for his protection and for his wife and two children. He will be deployed for one year.
- ☐ **Jack Haun's grandson, Brett (31)**, who had a kidney transplant on 10/1. He is home from the hospital. Please continue to pray as he recovers.
- ☐ **Linda Schilddt**, who having an ablation on 11/12 that her doctors hope will help with her neck pain. Her prayer is that her pain could be managed with only Tylenol.
