PSALM 145

Campus Outreach

Serving in Central Indiana

For over 40 years, the vision of Campus Outreach has been to reach spiritually lost students, which has grown into a movement reaching students for Christ on 122 campuses in the U.S. and around the world. Here, at LifePoint, we house and work with Campus Outreach Indianapolis, serving universities across Indiana.

Prayer Requests

- Students moved in at IU/Purdue Indianapolis on August 17th. The CO team is eager to meet a new class of students, follow up on relationships from the year(s) before, and disciple student leaders who are following the Lord.
- CO's goal for the fall is to see 120 students begin a *Journey Book* study with one of CO's staff or student leaders. Would you pray for students' interest in participating and for the Lord to save many?
- Student leaders will be studying through Romans 1-7 over the course of the fall semester. Would you pray they would be transformed by the depths of truth found in these wonderful chapters?
- CO has an evangelistic fall retreat in Cincinnati in early October. Join them in praying for many non-Christian students to join them for the weekend. Would you pray for interest among the students they meet over the next few weeks?
