Hello,

On behalf of the Martini Film Group, it is my pleasure to welcome you. As the founder, I am excited to invite you to collaborate with us on development projects, engage our production services for your next feature film or television series, and experience exceptional service at our studios and unique locations.

At Martini Film Studios, we prioritize sustainability. We work closely with productions to re-purpose set builds, reduce waste, and minimize the need for new materials. These partnerships are integral to our commitment to sustainable consumption and improved resource efficiency, helping us achieve and maintain our sustainability goals. Our efforts have been recognized with the Clean Energy Champions title from BC Hydro, highlighting our dedication to clean energy.

We are grateful for the support of the production community and the industry at large, which enables us to build and expand on the assets showcased in this booklet. Thank you for considering Martini Film Group for your production needs.

Warm regards,

Gemma Martini
Founder & CEO, Martini Film Studios
