This Cardholder Agreement (“Agreement”) outlines the terms and conditions under which the Card has been issued to you by Patriot Bank, N.A. (Member FDIC) (the “Bank”) pursuant to a license from Mastercard. This Card can be used everywhere Mastercard is accepted. These terms and conditions apply if you submit an application for or use a WSMA World Elite Business Mastercard Credit Card, including any substitution, replacements or renewals of the Card (the “Card”). Please take the time to review the following important information about the Card and retain it for future reference.

If you have any questions, please email [support@affiniti.finance](mailto:support@affiniti.finance). “We”, “us”, and “our”, as used throughout the Agreement, means the Bank, our successors, affiliates, assignees and our third-party service providers, including the Program Manager. The “Program Manager” for the Card is Affiniti Finance, Inc.

This Agreement, along with the Program Manager’s Terms of Service, E-Signature Agreement, and Online Servicing Agreement (available at <https://affiniti.finance/legal>, collectively the “Card Agreements”) set forth the terms of your Account, along with any affiliated Cards and Additional Cardholders. By using or accepting the Account and/or Card, or any renewal or replacement of the Account and/or Card, you will be agreeing with the Card Agreements. If you do not wish to be bound by this Agreement, notify us immediately. Unless otherwise noted, any reference to “days” means calendar days. In case of a conflict between this Agreement and any other Card Agreement, the following shall govern in order of descending priority: this Agreement, Program Manager Terms of Service, Program Manager Online Servicing Agreement, and E-Signature Agreement.

**NOTICE: THIS AGREEMENT REQUIRES ALL DISPUTES TO BE RESOLVED BY WAY OF BINDING INDIVIDUAL ARBITRATION. THE TERMS OF THE ARBITRATION CLAUSE APPEAR AT THE END OF THIS AGREEMENT.**

2. **Anti-money laundering and USA Patriot Act:**

To help the U.S. government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an Account. When you open an Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

3. **State notices:**

**Ohio Residents:** Ohio anti-discrimination laws require creditors to make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on individuals upon request. The Ohio Civil Rights Commission administers these laws.

**New York and Vermont Residents:** We may obtain your credit reports, for any legitimate purpose associated with the Account or the application or request for an Account, including but not limited to reviewing, modifying, renewing and collecting on your Account. On your request, you will be informed if such a report was ordered. If so, you will be given the name and address of the consumer reporting agency furnishing the report. New York residents may contact the New York State Department of Financial Services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods. New York State Department of Financial Services: 1-877-226-5697 or <http://www.dfs.ny.gov>.

**Wisconsin Residents:** No provision of any marital property agreement, unilateral statement, or court order applying to marital property will adversely affect a creditor's interests unless, prior to the time credit is granted, the creditor is furnished with a copy of the agreement, statement or court order, or has actual knowledge of the provision. If the credit card for which you are applying is granted, you will notify the Bank if you have a spouse who needs to receive notification that credit has been extended to you.

4. **Communications**

- a. For information on how to set your communication and privacy preferences, review our Program Manager's most up to date Privacy Policy.
- b. To notify us of any information per the procedures described within this Agreement or if you have a complaint, please email [support@affiniti.finance](mailto:support@affiniti.finance). Our customer service representatives are your first point of contact and are often able to resolve your complaint quickly.
- c. By submitting your application and opening an Account, you agree to be bound by our Program Manager's E-sign Policy, available at [affiniti.finance/legal](http://affiniti.finance/legal).

5. **Definitions.** All capitalized terms used in this Agreement and not otherwise defined shall have the meaning as set forth below. Terms defined in the singular shall include the plural and vice versa, as the context requires.

- a. "Account" means your account or the account of the Company designated and maintained by the Bank.

- b. "Additional Cardholder" means anyone to whom a Card affiliated with the Account is issued — at the request of the Company, another Additional Cardholder, and/or Authorized Signer — and/or whose name is embossed on the Card, and/or who has been authorized by Company to execute Card Transactions, and/or incur other charges with the Card on behalf of the Business.
  - c. "Authorized Signer" means the person who applied for this Account and/or to whom we address billing statements. To be an Authorized Signer, this person must hold a position in the Company, such as owner or president, that gives them the authority to legally bind the Business to such Agreement(s).
  - d. "Billing Statement" means statement(s) from us of the amount charged or debited and/or paid to the Account.
  - e. "Card Transaction" means any type of transaction effected by using the Card and includes the purchase of goods and/or services that is charged to the Account.
  - f. "Company" means the business for which the Account is established. This will be the Company which has applied for an Account jointly with the Authorized Signer and may be referred to as "Applicant" in certain places within the application.
  - g. "Credit Limit" means the maximum amount the Bank allows you and/or the Company to owe on the Account at any time. This amount may be varied at any time without prior notice to the Company, Authorized Signer, or Additional Cardholders.
  - h. "Interest Rate" means the interest rate charged based on Card Transactions.
  - i. "You" or "your" means both the Authorized Signer and the Company. You agree, jointly and severally, to be bound by the terms of this Agreement.
6. **Program Manager.** The Program Manager services parts of your Account, including, but not limited to, Account and/or Card management through Program Manager's website and customer service relating to any rewards offered in connection with your Account. In its capacity as the servicer of your Account, Program Manager may act on our behalf, perform the Bank's obligations, or enforce the Bank's rights under this Agreement.
7. **How Rates and Fees Work.**
- a. How we will calculate interest:
    - i. We use a method called "Average Daily Balances." Average Daily Balance is calculated by adding the amount you owe on each day during the Billing Statement period and dividing that total by the number of days in the billing period. Please see below to see how the variable rate is calculated.
  - b. Explanation of Variable Rates:
    - i. If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period. The Daily Periodic Rate (DPR) is 1/365th of the APR, rounded to the nearest one ten-thousandth of a percentage point. Variable APRs will not exceed 29.99%.

- ii. We use the Prime Rate from the rates section of The Wall Street Journal. The Prime Rate for each billing period is the Prime Rate published in The Wall Street Journal on the closing date of the Statement Billing period.
  - iii. The Wall Street Journal may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published. If The Wall Street Journal is no longer published, we may use the Prime Rate from any other newspaper of general circulation in New York, New York or we may choose to use a similar published rate.
  - iv. If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the Statement Billing period.
- c. How we will calculate the Minimum Payment Due:
  - i. If your balance is less than \$25, your minimum payment will be equal to your balance. Otherwise, your minimum payment will be the greater of \$25 or 3% of your balance plus new interest, transaction fees, and late payment fees. We may also add any past due amount or over limit amount to your Minimum Payment. If your Account is closed or charges off, the entire balance is due immediately.
- d. How we will calculate your credit line:
  - i. We will determine your credit line after a review of your application and your ability to pay considering, without limitation, your and/or the Company's current income, assets, and/or current obligations. If your application is approved, the minimum credit line you will receive is \$500.
- e. Changes to APR:
  - i. If we increase your APR, we will notify you in writing of your options in advance, including the right to opt out. We will not increase the APR (apart from an increase in Prime Rate or for Penalty APR) during the first year of your Account, while your Account is closed, or while we do not permit new transactions on the Card. We may increase your APR if we do not receive your Minimum Payment within 60 days after the due date, as outlined in the Rates and Fees Table.
- f. How we will calculate your Late Payment Fee:
  - i. If we do not receive the Minimum Payment Due by its Payment Due Date, you will be charged a late payment fee. Your first late payment fee will be \$29. All subsequent late payment fees will be \$39. At any time if your late fee is exceeding the Minimum Payment Due on your statement, your late payment fee will be adjusted to equate the Minimum Payment Due amount due.
- g. Manual Research Fee:
  - i. Most scenarios you incur (i.e. replacing cards, etc.) will not result in a Manual Research Fee charge. However, if you submit a request regarding your Account that is outside of our standard procedures, we have the right, but are not required, to charge a \$30 / hour Manual Research Fee, which will be clearly documented and communicated to you beforehand.

- h. How we will calculate your Returned Payment Fee:
    - i. If you schedule or make a payment, and that payment fails or is returned, you'll be charged a Returned Payment Fee of the lower of \$39 or your total outstanding balance.
  - i. How we will calculate your Foreign Transaction Fee
    - i. Foreign Transactions ("Foreign Transactions") are any transaction made in a foreign currency. If you make a Foreign Transaction, the Foreign Transaction will be converted by Mastercard International, into a US Dollar amount in accordance with the operating regulations or conversion procedures in effect by Mastercard at the time the transaction is processed. Then, you will be charged the Foreign Transaction Fee listed in the Rates and Fees Table.
      - 1. The currency conversion rate for Mastercard is based on (a) rates observed in the wholesale market or (b) government-mandated rates, where applicable, for the transaction date or the processing date. The currency conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.
8. **Issuance of Cards.** Regardless of the purpose for which a Card is to be used, including business or commercial use, no Card shall be issued to any person except:
- a. In response to an oral or written request or application for the Card; or
  - b. As a renewal of, or substitute for, a Card.
9. **Additional Cardholders.**
- a. At your request, we may issue cards to Additional Cardholders, who will be able to use your Account subject to the terms of this Agreement. As the Authorized Signer of the Company, you agree that you:
    - i. Are responsible for all use of the Account by Additional Cardholders and anyone they allow to use the Account.
    - ii. Must pay for all charges Additional Cardholders make.
    - iii. Must share this Agreement with all Additional Cardholders and ensure that they have all read and agreed to this Agreement.
    - iv. Authorize us to give Additional Cardholders information about the Account and to discuss it with them.
    - v. Must notify us if you want to cancel an Additional Cardholders' right to use your Account.
  - b. We may refer to Additional Cardholders and their Cards as "Employee Card(s)" and "Employee Cardholder(s)". All terms and conditions that apply to Additional Cardholders also apply to Employee Cardholders.
10. **Replacing Authorized Signers.**
- a. You understand that by creating an Account, you agree to be personally liable, both jointly and severally, with the Company for all charges incurred on the Account and for all Cards associated with the Account. You understand that if you leave the employment of the Company, if applicable, you will continue to be

responsible for the charges associated with the Account and its Cards unless the following terms (10.b and/or 10.c) were completed.

- b. You must immediately notify us if the Authorized Signer is no longer an employee or officer of the Company and/or does not want to be the Authorized Signer. In this situation, you will be required to either immediately close this Account subject to the terms and conditions provided herein or propose another person to replace the Authorized Signer.
- c. If you propose another person to replace the Authorized Signer, that person must agree to assume the obligations and liabilities of the Authorized Signer under this Agreement, as of the date that such person replaces the Authorized Signer. That person is subject to our approval per the same terms and conditions the original Authorized Signer was subject to during our application process. You agree that the Authorized Signer remains the Authorized Signer until we approve a replacement, or the Account is closed.

**11. Your Card Usage.**

- a. You and all Additional Cardholders acknowledge and agree that cards are intended to be used for the Company's commercial or business purposes only. We decide whether to approve any Card Transaction based on how you spend and pay on this Account and other accounts you have with us and our affiliates. We also consider both the Company's and your credit history, along with other third party resources.
- b. If you have arranged for certain merchants and third parties to store your card number and expiration date, we may tell these merchants and third parties if your expiration date or card number changes, or if your Account status is updated, including if your Account is canceled. If you do not want us to share your updated Account information, please notify us.
- c. You may not use your Card and/or Account for illegal activities in the state where you live or in the state where you are making your transaction.
- d. If you have no activity on your Account for 12 months, we may close your Account or suspend your ability to make purchases.

**12. Promise to Pay.**

- a. You will receive a Billing Statement from us each Billing Statement period, unless there has been no activity on your Account during that period, and (a) there's no balance owing and/or (b) you've been notified that your Account has been suspended or closed and we have demanded payment of the outstanding balance. You are required to meet your payment obligations each billing period, even if you don't receive a Billing Statement due to a change in your contact information, a postal disruption, an internet failure, or for any other reason.
- b. You promise to pay all charges, including:
  - i. Charges you make, even if you do not present your card or sign for the transaction,
  - ii. Charges that other people make, whether you or an Additional Cardmember intend to let them use the Account, subject to applicable law, and

iii. Charges that Additional Cardmembers make or permit others to make.

13. **When You Must Pay.** You must pay the Minimum Payment Due no later than the Payment Due Date shown on your Billing Statement to avoid a late payment fee, provided that if you pay your Minimum Payment Due within 21 days of receipt of your Billing Statement, we will not consider that payment late or report to a credit bureau pursuant to Section 16. Paying only the Minimum Payment Due on your Account will cause you to pay more interest and take longer to pay off the Account balance.
14. **Making A Payment.** You must make payments in US dollars via ACH as directed via your Account communications. When you make a one-time payment or have autopay scheduled, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. Payments must be submitted by 8:00pm EST to be posted within that payment day. More terms and information may be within your Online Servicing Agreement, accessible at [affiniti.finance/legal](http://affiniti.finance/legal). If your ACH/bank transfer is declined, you will be charged the Returned Payment Fee.
15. **Trailing Interest.** If you didn't pay all your previous balances in full, you may see interest on your next statement even if you pay the new balance in full and on time. When this occurs, interest will be assessed from the first day of the first billing period where the full statement is not paid off until we receive all your payments in full.
16. **Credit Reporting.**
  - a. We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. If you believe we have provided incorrect information to the credit reporting agency, please notify us immediately.
  - b. In addition to reviewing your individual and Company credit report when applying to open a new Account, you authorize us to review both your and the Company's credit report and information at other times while your Account is open for the purposes of credit line and Credit Limit adjustments, collections, and other Account servicing needs.
  - c. As required by Utah and California law, you are hereby notified that a negative credit report reflected on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of this Agreement.
17. **Lost Cards and Unauthorized Transactions.**
  - a. You should take reasonable care to safeguard your Card and Account information. In the event of the possible loss, misuse or theft of a card or possible unauthorized use or if an Additional Cardholder never received a Card after it has been requested by Company, you will notify us immediately upon learning of such loss or theft or possible unauthorized use.
  - b. Liability for unauthorized use.
    - i. For purposes of this section, the term "unauthorized use" means the use of your Card or Account by a person, other than You or any Additional Cardholder, who does not have actual, implied, or apparent authority for

such use, and from which You or the Additional Cardholder receives no benefit.

- ii. Unauthorized use doesn't include use of your Card and Account information by someone you've identified as an Additional Cardholder or someone you permitted to use your Card and Account information. You are responsible for all use of your Account by Additional Cardholders or anyone they allow to use your Account. You must pay for all charges they make.
- c. Limitation on amount for unauthorized use.
  - i. The liability of any Cardholder for unauthorized use of a Card shall not exceed the lesser of \$50 or the amount of money, property, labor, or services obtained by the unauthorized use before notification to the card issuer.
- d. Conditions of liability.
  - i. A Cardholder shall be liable for unauthorized use of a Card only if the following conditions have been met. By agreeing to this Cardholder Agreement, you agree that these conditions have been met.
    - 1. The Card is an accepted credit card;
    - 2. The Program Manager has provided notice of the cardholder's maximum potential liability and of means by which the Program Manager may be notified of loss or theft of the card. The notice shall state that the cardholder's liability shall not exceed \$50 (or any lesser amount) and that the cardholder may give oral or written notification, and shall describe a means of notification (for example, a telephone number, an address, or both); and
    - 3. The Program Manager has provided a means to identify the Cardholder on the Account or the authorized user of the Card.
- e. Notification of unauthorized use.
  - i. Notification of unauthorized use must follow the procedures outlined in section 19 of this Agreement. Notification to the Program Manager of unauthorized use is given when steps have been taken as may be reasonably required in the ordinary course of business to provide the Program Manager with the pertinent information about the loss, theft, or possible unauthorized use of a credit card, regardless of whether any particular officer, employee, or agent of the card issuer does, in fact, receive the information. Notification may be given, at the option of the person giving it, by telephone, or in writing. Notification in writing is considered given at the time of receipt or, whether or not received, at the expiration of the time ordinarily required for transmission, whichever is earlier.
- f. Effect of other applicable law or agreement.
  - i. If state law or an agreement between a Cardholder and The Program Manager imposes lesser liability than that provided in this section, the lesser liability shall govern.
- g. Business use of credit cards.

- i. If 10 or more Cards are issued by the Program Manager for use by the Additional Cardholders of a singular Company, this section does not prohibit the Program Manager and the Company from agreeing to liability for unauthorized use without regard to this section. However, liability for unauthorized use may be imposed on an Additional Cardholder of the Company, by either the Program Manager or the Company, only in accordance with this section.
    - h. You agree to cooperate and help with any investigation that we initiate into unauthorized use before we'll consider reimbursing you for any losses. If our investigation establishes that there was no unauthorized use, you'll be fully liable for all amounts charged to the Account before you notified us.
    - i. You or an Additional Cardholder may request a replacement Card from us. We may at our discretion issue a replacement Card upon such terms and conditions as we may deem fit, and we reserve the right to charge a replacement fee for any lost or stolen Card given that you have been provided proper notice and the opportunity to opt out. Such Card replacement fee shall be debited to the Account and shall not be refundable for any reason whatsoever. Renewal and replacement Cards will continue to be sent to you at the most current address that we have on file for you or the Additional Cardholder, provided the Account is active and in good standing, until you advise us to stop. As soon as you or an Additional Cardholder receives the new Card, you must activate it and destroy the old Card.
    - j. Any Card reported as lost, stolen or compromised must not be subsequently used.
- 18. **Billing Dispute Procedures.**
  - a. If you think there is an error on your Billing Statement, email [support@affiniti.finance](mailto:support@affiniti.finance) using the email address associated with your Account. In your email, give us the following information:
    - i. Account information: Your name, Company name, and relevant payment bank account number.
    - ii. Dollar amount: The dollar amount of the suspected error.
    - iii. Description of Problem: Describe what you believe is wrong and why you believe it is an error.
  - b. You must contact us within 60 days after the error appears on your statement, and at least 5 business days before an automated payment is scheduled if you want to stop the payment on the amount you think is wrong. You must notify us of any potential errors over email. After we receive your email, we will do two things:
    - i. Within 30 days of receiving your email, we will tell you that we received your email.
    - ii. We will investigate your inquiry and will either correct the error or explain to you why we believe the statement is correct.
  - c. While we investigate whether there has been an error, we will not try to collect the amount in question. Please keep in mind that the charge in question may remain on your statement, and we may continue to charge you interest on that amount. While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your Credit Limit.
  - d. After we finish our investigation, one of two things will happen:

- i. If there's a valid error: You will not have to pay the amount in question or any interest or other fees related to that amount.
    - ii. If we determine there was no mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.
19. **Purchase Dispute Procedures.** If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right to not pay the remaining amount due on the purchase.
  - a. To use this right, all the following must be true:
    - i. The purchase must have been made in your home state or within 100 miles of your current mailing address.
    - ii. The purchase price must have been more than \$50.
    - iii. You must have not yet fully paid for the purchase.
    - iv. It has been under 60 days since the transaction you want to dispute has appeared on your statement.
  - b. If all the criteria above are met and you are still dissatisfied with the purchase, email [support@affiniti.finance](mailto:support@affiniti.finance). While we investigate, after we investigate, and when we notify you of our decision, the same rules apply to this disputed amount as in the Billing Dispute Procedures section of this Agreement.
20. **How Payments Are Applied.** We generally apply payments up to your Minimum Payment to the balance with the lowest APR, and then to balances with higher APRs. We generally apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances in descending order based on the next lowest APR.
21. **Earning Rewards.** You may be able to earn rewards on your eligible purchases when you purchase goods/services within certain spend categories, or on all your purchases, as specified herein. Eligible purchases for rewards include purchases of goods and services and recurring transactions minus any disputes, chargebacks, credits, or returns. Eligible purchases do not include fees or interest charges, balance transfers, cash advances, purchases of traveler's checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents.
  - a. You will earn a total reward of 5% cash back on the first \$5,000 of eligible purchases (then 1% if you do not have autopay set-up, 2.1% if you have weekly autopay set-up, or 1.75% if you have semi-monthly autopay set-up) made at medical supplies & equipment product merchants.
  - b. You will earn 1% unlimited cash back rewards of all of your Eligible Purchases. In the event that you have set up weekly autopay, you will instead earn 2.1% unlimited cash back rewards on all of your Eligible Purchases. In the event that you have set up semi-monthly autopay, you will instead earn 1.75% unlimited cash back rewards on all of your Eligible Purchases.
  - c. If you make \$30,000 of eligible purchases within the first 3 months of being approved for your Account, you will receive a \$560 reward point bonus.

- d. If we, in our sole discretion, determine that you have engaged in abuse, misuse, or gaming in connection with our rewards in any way, or that you intend to do so, we may:
  - i. Not credit rewards,
  - ii. Freeze rewards credited,
  - iii. Remove previously credited rewards from your Account, or
  - iv. Close this Account and other Accounts you may have with us.
- e. Codes are assigned to merchants based on the products they sell most frequently. We classify your purchases for rewards eligibility based on the specific merchant code they have. If a merchant's code is not available to us, a purchase made with that merchant will not be eligible for rewards. If we receive incorrect information from the merchant or are otherwise unable to recognize your purchase as being with a certain merchant code, you may also not be eligible for rewards. Finally, we have the sole right and discretion to determine which spend category your purchase falls within, regardless of the merchant code assigned to the purchase. You are responsible for letting us know if you do not receive rewards for an eligible purchase.

## **22. Redeeming Rewards**

- a. Rewards may also be referred to as “cash back” or “reward points.” These rewards are issued by Affiniti Finance, Inc., the program manager of this card, unless otherwise specified. These rewards are not Mastercard related services or benefits. Please keep in mind that all these rewards will only be structured in the form of reward points credited to the Account, which can be redeemed for Billing Statement credits. The conversion of reward points to Billing Statement credit redemption value, and vice versa, is that 100 reward points equates to \$1 of Billing Statement credits.
- b. To redeem your reward points, you must have paid the full statement balance, including any outstanding fees or charges, before the Payment Due Date for the Billing Statement where your Eligible Purchases earned those reward points. Additionally, your Account must be active in good standing, meaning not restricted, closed, or in default. If you meet those requirements, you may redeem your reward points as Billing Statement credits at your discretion. These reward points, when redeemed, will be applied to your next Billing Statement. You will always need to pay your entire Minimum Payment Due as shown on your Billing Statement, regardless of your redemption of rewards. Note that in order to earn the additional rewards tied to the criteria of having autopay set-up, the Eligible Purchases must have happened in the time period where you successfully paid the entirety of the autopay amount.
- c. Reward points expire three hundred sixty five (365) days after they have been made available for redemption on your Account or if you have not made any Eligible Purchases on your account for more than ninety (90) consecutive days.

23. **The Military Lending Act** The Military Lending Act provides protections for certain members of the Armed Forces and their dependents (“Covered Borrowers”). This section applies to Covered Borrowers. If you would like to hear about your Military Lending Act rights and a description of your payment obligation, you may contact us. Notwithstanding

anything to the contrary in this Agreement, to the extent required by the Military Lending Act, if you are a Covered Borrower, nothing in this Agreement will be deemed a mandatory waiver of your right to legal recourse under any otherwise applicable provision of state or federal law.

Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent(s) may not exceed an annual percentage rate of 36 percent. This rate includes the interest charged on your account plus fees on your account when applicable.

**24. Arbitration and Class Action Waiver**

- a. **THIS ARBITRATION PROVISION AFFECTS YOUR RIGHTS. PLEASE READ CAREFULLY BEFORE AGREEING TO THESE TERMS. EXCEPT AS OTHERWISE NOTED, CAPITALIZED TERMS HAVE THE MEANING SPECIFIED IN GLOSSARY BELOW.**
- b. Any dispute arising in connection with this Agreement will be resolved by binding arbitration whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and regardless of whether a claim arises during or after the termination of this Agreement. **YOU UNDERSTAND AND AGREE THAT, BY ENTERING INTO THIS AGREEMENT, YOU AND US ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.**
- c. Notwithstanding the foregoing, nothing in this Agreement will be deemed to waive, preclude, or otherwise limit the right of either party to: (a) bring an individual action in small claims court; (b) pursue an enforcement action through the applicable federal, state, or local agency if that action is available; (c) seek injunctive relief in a court of law in aid of arbitration; or (d) to file suit in a court of law to address an intellectual property infringement claim.
- d. Any arbitration between you and us will be settled under the Federal Arbitration Act and administered by the American Arbitration Association (“AAA”). If you have any questions concerning the AAA or would like to obtain a copy of the AAA arbitration rules, you may call (800) 778-7879 or visit the AAA’s web site at: [www.adr.org](http://www.adr.org). The arbitrator has exclusive authority to resolve any dispute relating to the interpretation, applicability, or enforceability of this binding arbitration agreement. There shall be a single arbitrator, selected by us, who shall be an attorney practicing commercial law in Delaware. The arbitration shall take place in English.
- e. A party who intends to seek arbitration must first send a written notice of the dispute to the other party by electronic mail (“Notice of Arbitration”). The Notice of Arbitration must: (a) describe the nature and basis of the claim or dispute; and (b) set forth the specific relief sought (“Demand”). The parties will make good faith efforts to resolve the claim directly, but if the parties do not reach an agreement to do so within 30 days after the Notice of Arbitration is received, you or we may commence an arbitration proceeding. All arbitration proceedings between the parties will be confidential unless otherwise agreed by the parties in

writing. During the arbitration, the amount of any settlement offer made by you or us must not be disclosed to the arbitrator until after the arbitrator makes a final decision and award, if any. If the arbitrator awards you an amount higher than the last written settlement amount offered by us in settlement of the dispute prior to the award, we will pay you the higher of: (i) the amount awarded by the arbitrator; or (ii) \$500.

- f. If you commence arbitration in accordance with these Terms, payment of any fees will be decided by the AAA Rules. Any arbitration hearing will take place at a location to be agreed upon in Delaware, but if the claim is for \$10,000 or less, you may choose whether the arbitration will be conducted: (a) solely on the basis of documents submitted to the arbitrator; (b) through a non-appearance based telephone hearing; or (c) by an in-person hearing as established by the AAA Rules in the county (or parish) of your billing address. If the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all fees will be governed by the AAA Rules. In that case, you agree to reimburse us for all monies previously disbursed by it that are otherwise your obligation to pay under the AAA Rules. Regardless of the way the arbitration is conducted, the arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees or expenses at any time during the proceeding and upon request from either party made within fourteen (14) days of the arbitrator's ruling on the merits.
- g. You, Bank, and Program Manager agree that each may bring claims against the other only on an individual basis and not as a plaintiff or class member in any purported class or representative action or proceeding, except as requested by Bank or Program Manager. Subject to the foregoing sentence, you, Bank, and Program Manager specifically agree that arbitration is not available, and shall not be conducted on, a class-wide basis and that the arbitrator(s) may not consolidate or join more than one person's or party's claims and may not otherwise preside over any form of a consolidated, representative, or class proceeding. If any question is raised relating to whether class actions or consolidated actions are permitted, the arbitrator(s) is not authorized to decide that question and that question must be resolved by a court. Also, the arbitrator(s) may award relief (including monetary, injunctive, and declaratory relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief necessitated by that party's individual claim(s). Any relief awarded cannot affect other Card users. If this paragraph cannot be enforced, then this entire arbitration provision shall be null and void.
- h. If we make any future change to this arbitration provision, other than a change to our email address for Notice of Arbitration, you may reject the change by sending us notice within thirty (30) days of the change to our email address for Notice, in which case your Account will be immediately closed, and this arbitration provision, as in effect immediately prior to the changes you rejected will survive.

- i. This arbitration provision will survive the closing of the Account or this Agreement as well as any voluntary payment of any debt in full by Company or Authorized Signer or bankruptcy by any party. Except for the provision of this section prohibiting arbitration on a class or collective basis, if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, then the balance of this arbitration provision will remain in effect and will be construed in accordance with its terms as if the invalid, unenforceable or illegal part was not contained herein.
