A WORD FROM OUR FOUNDERS

If 2023 was special. 2024 is shaping up to be even more so! We are so thankful to everyone that is standing with us to see the nations saved.

The work that Andrew started in Kenya is ongoing and many more have now been reached with the gospel, Our focus this year though has not been so much on Africa as it has been on Asia. We are ploughing the harvest fields heavily in Cambodia. Furthermore, Asian Evangelists are being raised up across the continent. At the same time, we continue to serve Australian churches, to see the Australian Evangelist arise as well.

We look forward to what is to come and we thank you for standing with us in the harvest,

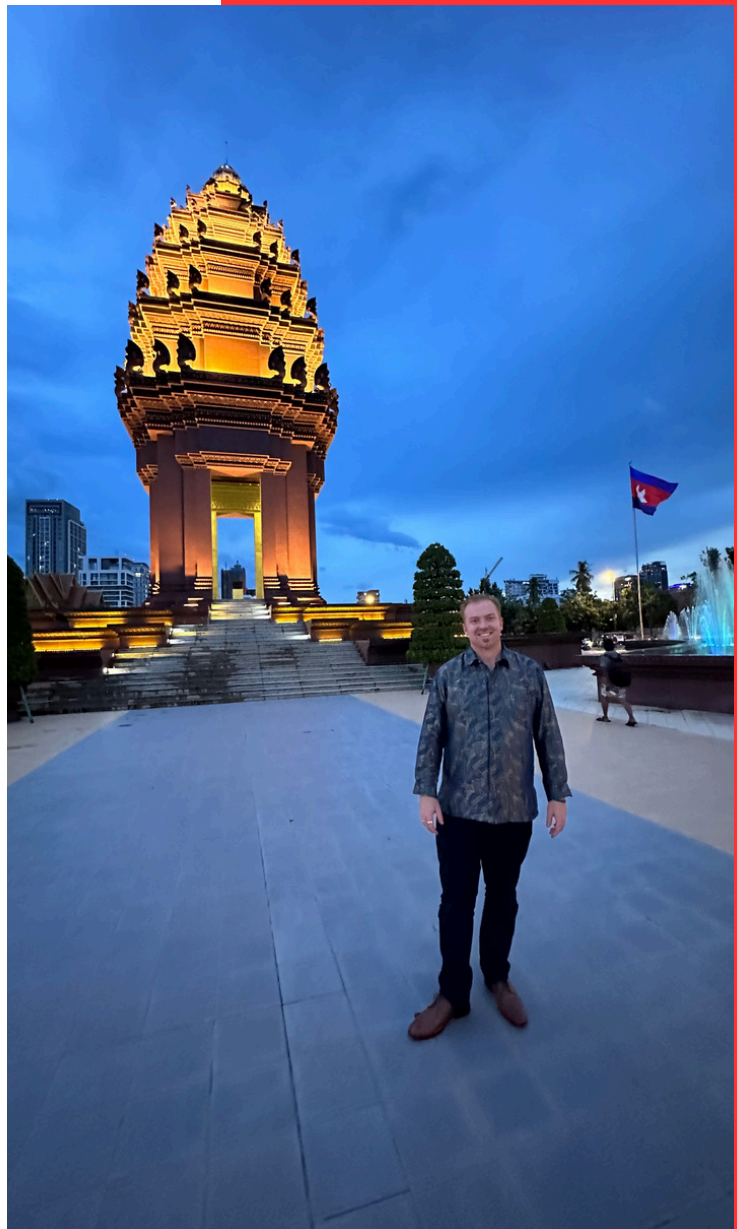

Andrew and Joyce Scarborough

2024

The journey so far

2024 has been a year of “stepping out of the boat” for Fire and Rain International Ministries. Where, in 2023, we worked heavily with Christ for All Nations in Africa, in 2024 we felt the Lord call us to focus on Asia. This year to date we have trained up 140 Evangelists in Japan, Indonesia and Singapore. We have also seen over 1,000 decisions for Jesus through these trainings. What’s more, we have been into Cambodia multiple times to train up Evangelists, minister in local churches and prepare for our Great Gospel Festival, in December of 2024. We believe, the second half of this year will be significant. We will train up 100 Evangelists in Cambodia in September. Soon after, God willing, we will train up 400 Pastors and Leaders in Discipleship in October and then host a Gospel Festival to reach thousands in December.

KENYA: NOW OVER 1.8 MILLION FOR JESUS

At the end of January, Andrew returned to Eldoret, in the North of Kenya to hand over the Kenya initiative to CFAN trained Evangelist, Laura Ableiter.

So far this year, Laura and her team have seen over 600,000 decisions for Christ in Kenyan schools, and preached to over 800,000 young people, handing out over 800,000 follow up booklets.

Our goal is to see 3 million reached in Kenya, and we believe we will see this by the end of next year. We thank God that, what started as a dream, is becoming a reality. While Andrew has not been on the ground as much this year, he continues to mentor Laura in how to reach a nation's youth for Christ.

CAMBODIA: NOW IS THE TIME

In 2023, after seeing over 14,000 decisions for Christ in Indonesia, the Lord began to give David Neo, our Outreach Director, a heart for Cambodia. Soon after, Andrew's heart began to be stirred for this nation too.

Just 2% Christian, doors began opening for Fire and Rain International Ministries, from the top levels of church and government, invitations came to equip the church, raise up Evangelists and reach the nation for Jesus.

This is truly astounding. The fact that Cambodia is opening for the gospel in such a big way is a miracle. In prayer, Andrew was given the word, "Now is the Time for Cambodia."

While in the natural, a return to Indonesia in 2024 made much more sense, God truly has stirred us for this nation. The Scarboroughs will go as a family to Cambodia in September for a week, to train up 100 local Evangelists. In October we will partner with Benji Morf, and do Discipleship Training, and then in December we will hold our large Gospel Festival. Pictured above is the Governor of Battambang, who has given us permission to host the Festival!

LOCAL CHURCHES, OUR BASE AND A BLESSING

We continue to pour into local churches across the globe and locally here in Australia. We see the local church as a vital partner. As we serve the local church, bringing revival and stirring up faith to reach their local communities, the local church bring resources of prayer, people and finance for the missions overseas.

In 2024 we have served

- Ormond Church of Christ, VIC
- The Sanctuary Church, VIC (Our Home Church)
- New Vine Lakes Church, NSW
- New Vine Beaches Church, NSW
- Acts Church, Singapore
- Faith Family Church, Cambodia
- Awakening Asia, Japan
- Metro City Church, Indonesia
- Monbulk Christian Fellowship, VIC
- Misikhu Baptist Church, Kenya

PARTNERSHIP NEEDS

Fire and Rain International Ministries is still in need of more monthly giving and prayer partners.

We currently have just over 250 people on our database, many that pray for us regularly. Around 10% of those on our database also give regularly.

We have been able to operate at our current level of output due to a generous donation of \$100,000 that was given in the middle of 2023.

We have, however, seen growth in 2024 in our monthly supporters to 26 monthly supporters that are individuals or families and 1 Church that support the ministry at \$1,100 a month.

Our goal has been to triple our monthly supporters in 2024 and see at least 3 more churches become monthly partners. We are falling short of this goal and we covet your prayers to see this goal reached. We know that all things are possible in Christ.

Furthermore, we are in need of an additional \$135,000 to see all of our initiatives in Cambodia funded. We have so far raised just over \$35,000 and we are now asking God for another \$100,000 miracle gift.

Thank you for partnering with us in prayer and finance.

VISION FOR 2025

In July of 2024, much of the Fire and Rain team met in Singapore to discuss our Vision for 2025.

As we gathered to pray and seek the Lord, He continued to show us the harvest in Asia. He also showed us our blind spots, that we need more partners on our team to help us reach Asia for Jesus.

To do this, we are forming what will be known as the “School of Nations”, a 40 Day Missions Experience. The vision is to train up Evangelists for one month in a classroom environment, and then take them on missions for 10 days together to colabour with us to reach Asia for Christ.

It is anticipated that our pilot School will be launched in the second half of 2025.

We see the first half of 2025 as being a time of growing our base of students, as well as growing our financial and prayer partnership base. We are still seeking the Lord to do Mass Gospel outreaches in 2025 across Asia, but with a much bigger team and support base!

Thank you for standing with us as we continue to Reach the Lost and Revive the Found.
