How Your Gift Creates *Impact*

If you need assistance, please contact *Andrew* directly at andrew@fireandrain.international

Meet Sara. Your gift of the gospel is delivered to those like Sara who have *never* heard the name Jesus.

This staggering statistic doesn't represent rejection of the gospel, it represents a devastating lack of access.

Entire communities have lived generation after generation without ever hearing that God loves them personally. Without knowing that Jesus died specifically for their sins. Without experiencing the freedom of forgiveness or the joy of direct relationship with their Creator.

They're not in spiritual darkness by choice. They're in darkness because no one has brought them the light.

You can change this.

Meet Sara.

\$950 - Sponsor's a Bus

One way to make sure the gospel festival is accessible to everyone

\$80 - Disciple a New Believer

Your gift brings the gospel to someone who's never heard the name of Jesus.

Because of your \$80 gift, one person will hear for the first time that Jesus died specifically for them. They'll discover that salvation isn't earned through offerings to spirits or endless rituals. Your giving creates the moment when spiritual darkness encounters light. That first hearing plants a seed the Holy Spirit can grow into eternal life.

\$40 - The Gospel Made Visible

Your gift demonstrates God's love through a meal and the message of Jesus.

Your \$40 gift provides a nutritious meal for a Cambodian family whilst they hear the gospel proclaimed. When you feed someone's body whilst speaking to their soul, you're embodying Christ's holistic care. This isn't charity with a gospel add-on—it's the love of Jesus made tangible. The meal you provide removes worry about tomorrow's rice and creates space for them to truly hear the most important news they'll ever receive.

\$220 - Raising Up Local Voices

Your gift equips and trains a local evangelist for ongoing gospel proclamation.

Your \$220 gift trains a Cambodian believer to become an effective evangelist in their own community. They speak the language fluently, understand the culture.

Missionaries come and go, but local evangelists stay. They'll proclaim the gospel long after this festival ends and after Fire and Rain's direct involvement concludes. You're not funding a single event—you're establishing sustainable gospel presence.

Support a Missionary Evangelist for 2026

Give directly to the hands and feet bringing the gospel to unreached nations. 100% goes to the missionary you choose

"Having faithful support means I can say yes when a village or a church invites me to share the gospel, rather than calculating whether I can afford the petrol. That freedom transforms everything about how I serve."

Brayden, Fire & Rain Missionary

Your Solution

When missionaries have consistent, reliable partnership, they devote full energy to their calling. They respond to ministry opportunities without financial constraints, invest in language learning, build deeper community relationships, and follow the Spirit's leading without limitation.

How It Works

When you give, simply add a note with the name of the Fire and Rain team member you want to support. Your entire gift becomes part of their personal missionary support, enabling them to focus fully on gospel work rather than fundraising or financial uncertainty.

Through the Gospel Festival and ongoing ministry work, Fire and Rain International brings the message of Jesus to people hearing it for the very first time.

This Christmas, you're not just giving a donation, you're giving someone their first chance to know Jesus.

Thank you.
What you've just done
matters more than you
might realise. Because of
your generosity, the
gospel is moving closer
to someone in Cambodia
who's never heard the
name of Jesus.

Right now, a girl like *Sara* is still offering incense to spirits she desperately hopes will protect her family. She wakes each morning carrying the weight of fear, not knowing that God loves her specifically and completely. *But your gift is changing that reality.*

The Gospel Festival is happening soon, and every resource being prepared—every message being translated, every Bible being printed, every follow-up plan being organised—your gift makes it possible.
